Dock Address Signs

If you didn't take advantage of the Dock Sign Program the first time around, here's your chance to put your address on your dock with a nice new sign that shows guests, and more importantly, first responders where you live. This provides immediate identification for police and/or fire personnel who might respond by water. Knowing the right address could be a life saver. The signs are $50 each, and further information can be found on the Town's website at www.todb.ca.gov and click on the News and Announcements link!
