Dear Members of the Board:

The letter serves as notice that I am resigning my position as General Manager effective midnight October 2, 2021.

For nearly five years, I have had the pleasure of working for board members who are truly passionate and selfless in their service and dedication to the citizens of Discovery Bay. Thank you for allowing me to serve the citizens of our community and to build a team of coworkers who are dedicated hard-working professionals that enjoy coming to work every day. I am grateful to the excellent and talented cadre of legal, engineering, and operating specialists who are always there to support our efforts. I am extremely proud of the many accomplishments that we have all made as a team working together to get things done and move our Town forward.

It has been an honor and a privilege to work for the wonderful people of Discovery Bay. I value and trust that the friendships I have made with the public, members of the Board, and my coworkers will last well into the future.

If so needed, I remain available to assist and support the incoming General Manager through the leadership transition period.

Sincerely,

Michael R. Davies, CSDM
