

It is the Mission of the Discovery Bay Community Center to:

Provide facilities, programs and events to promote fitness, life-long learning, and social well-being.

Provide a centralized location where community based programming is to be offered that will stimulate, educate and enrich the lives of people within Discovery Bay and surrounding communities and that is complemented by a system of parks, recreation areas and other facilities aimed to encourage recreational and leisure time activities.

Provide a centralized location where fitness, aquatics, tennis, and other age-appropriate community based programming is offered that stimulates, educates and enriches the lives of people within Discovery Bay.

Offer community based programming that promotes lifelong learning, fitness, and social well-being.

Park Usage & Rental Policy

The Park Usage and Rental Policy outlines specific regulations and requirements associated with the permitted rental of a public facility and/or area within the Town of Discovery Bay Community Services District (District) owned or operated park. Obtaining a permit shall grant the user basic usage and access rights for the approved purpose and time only. Any fees or deposits established by the District Board of Directors shall be paid by the applicant before the effective date of the permit. All users shall comply with County, State and Federal laws.

The District reserves the right to cancel, revoke or suspend any and all reservations, permits and applications if deemed inappropriate, flagrantly disrespectful or if harmful activities are taking place in the park. No notice is required and, in some cases, the Sheriff will be notified and enforcement action will be requested. Violations of this policy may result in forfeiture of fees and/ or deposit.

Wet Field Policy

The Town of Discovery Bay Parks & Landscaping Department has a **WET FIELD POLICY** that all users, whether they have a permit or not, are expected to abide by. Fields are not to be played on if the turf is wet. Play on wet fields is dangerous to the players and very damaging to the turf.
