**Town of Discovery Bay Community Services District  
Contra Costa County, California**

June 20, 2012

Dear Board of Directors,

I am pleased to submit to the Town of Discovery Bay Community Services District Board of Directors the financial plan for the fiscal year beginning July 1, 2012 and ending June 30, 2013.

This budget is balanced and presents a spending plan where revenues meet expenditures. The Board and public will be presented with a complete financial outlook of the district's finances relative to operating expenses and the day-to-day expenditures necessary to operate the district in an efficient manner. This budget also includes a Capital Improvement Program that continues to address the long-term capital needs of the District. A robust capital replacement fund represents an ongoing structural element of long term financial sustainability. I am pleased to report that for FY 2012-13 I have programmed \$500,000 into this fund covering capital assets such as vehicles, buildings, equipment, and underground infrastructure. The ongoing programming of these funds will play a critical role in the District's ability to plan for its long term financial planning needs. Additionally, I have included an allocation of \$327,082 to be placed in the District's Reserve Account.

This year's Operating and Maintenance Budget is essentially flat over the current year, with a projected increase of \$177,437, or 4%. The Capital Improvement Program Budget includes for the first time a five (5) year outlook. This change (from a one (1) year CIP) allows the Board and staff the opportunity to more effectively plan for future needs. It also provides the public an opportunity to see the projects that are programmed for the future.

At the Board Workshop that took place on January 14, 2012, the Board identified a number of goals for the coming year. Many of the following goals are either complete, or are in the process of being accomplished and should be finalized in the coming fiscal year. They are as follows:

*Establish water conservation and education programs • Establish a FOG (Fats/Oils/Grease) program • Identify Earth Day as an annual community volunteer opportunity • Complete Phase 1 of the Dewatering Project • Obtain ownership of the County owned parks • Implement a leash-free park • Improve website accessibility • Finalize Community Center Plan • Provide for projects identified in the Water Master Plans • Complete Highway 4 east landscape project • Initiate and complete Clipper Drive landscape enhancement project*

For this budget cycle, the Board again convened the Budget Review Committee. I would like to thank and acknowledge the members of the Fiscal Year 2012-13 Budget Review Committee: Director Mark Simon; Director Ray Tetreault; and at-large members Robert Graham; Judy Smith, and Rose Ann Solberg. The committee met four (4) times over a two (2) month period to review anticipated expenditures, revenues, and proposed capital projects. That committee completed their work and recommended the preliminary budget be submitted to the Board of Directors for consideration and adoption.

Also, this past year the District hired a new Finance Manager. The new Finance Manager has worked closely with the General Manager and staff to bring about positive change relative to the District's internal financial controls and reporting.

As the District continues to evolve and mature, staff initiated a number of administrative changes that enhance productivity, are financially relevant, improve internal financial controls or improve the ability of the District to conduct its business more efficiently. Some of these changes include the establishment of the District's Financial Reserve Policy and Investment Policy, respectively; and the revision and adoption of the District's Purchasing and Procurement Policy. Additionally, each District employee now has a comprehensive job description and a merit based performance review process has been implemented. Also in FY 2011-12, the Board adopted a revised set of District Bylaws and adopted a revised Board Policy. Overall, I believe the administrative functions of the District have witnessed a significant upgrade in internal controls and the manner in which we effectuate our service deliveries to the public.

Proposed FY 2012 – 13 Operating and Capital Improvement Program Budget	
Total O&M Budget	\$4,603,133
Total Capital Budget	\$2,504,181
Total Infrastructure Replacement Fund	\$500,000
Contribution to Reserves	\$327,082
Grand Total Expense Budget	\$7,934,396
Grand Total Revenue	\$7,934,396

The Operating and Maintenance (O&M) section of the budget is proposed to be \$4,603,133. Increases to the Operating plan can be seen in Salary and Wages where it is proposed that an increase of \$35,000 be authorized over current year projected actuals. This increase represents a variety of factors, including properly accounting for payroll taxes, increased legal fees, accurately attributing staff time to landscape related activities, a 2% payroll increase as well as increased workers compensation expenses. Other areas of increased spending in the O&M Budget include a more accurate reflection of expenditures based upon past years' historical data as well as current and future contractual obligations. This is evident in the increase in the contract with Veolia Water. Other notable increases can be seen in Travel and Education, Automotive and Supplies, and properly accounting for Info system Maintenance.

The District's website, [www.todb.ca.gov](http://www.todb.ca.gov), continues to be populated with relevant information, documents, and materials. The website went through a significant upgrade this past spring and the changes and ease of access and file location has proved to be more accessible for all users of the site. Staff will continue to populate the site with information that is appropriate to our mission.

Our long term contract with Veolia Water is now entering its second year. Dividends are obvious, and the overall Water and Wastewater Operation is being managed and supported by arguably the most qualified staff in the District's history. We look forward to continuing to develop our ongoing partnership with Veolia. Over the past year, the District has initiated or completed a number of parks and landscape projects. Some of these projects are relatively small in size and scope, while others are significantly more extensive. The two (2) largest Parks and Landscape projects completed in the past twelve (12) months include the Basketball court at Regatta Park, Cornell Park improvements to the children's play structure; horseshoe pits and bocce ball court as well as resurfacing of the tennis courts. There have been many other landscape beautification projects throughout town including the Discovery Bay Boulevard east planting project.

The Capital Improvement Program (CIP) proposes expenditures of \$2,504,181, with a large portion of those needs derived from the Water and Wastewater Master Plan studies. Those studies have been previously accepted by the Board of Directors during FY 2011-2012. Staff has included a number of the projects contained in those plans for implementation or design in FY 2012-13 with construction beginning in FY 2013-2014.

As previously discussed, this budget also includes \$500,000 in Infrastructure Replacement funds for above and below ground infrastructure needs. The addition of the Infrastructure Replacement Fund was specifically addressed as a positive addition to the budget by the District's independent auditors.

In Fiscal Year 2010-2011, the Board directed staff to initiate a long term Water Master Plan and a Wastewater Master Plan to help identify the long term capital needs of the District. The Fiscal Year 2012-2013 Capital Improvement Budget includes the approved master plan. In the 2012-13 year design and planning has been budgeted for with construction to begin in fiscal year 2013 forward.

On June 6, 2012, the District's Board of Directors authorized the first steps in what will become the beginning of the implementation phase for those projects included in the Master Plans. The action taken to initiate a long term financing consisting of Lease Revenue Bonds to facilitate the construction and implementation of approximately \$13M to \$14M +/- in projects will provide a long term sustainable infrastructure for years to come.

As I indicated earlier, this budget represents a budget where revenues match expenditures. For Fiscal Year 2012-13, while there are a number of recommended changes, however, from an operational standpoint, this budget accurately projects a "status quo" budget. The attached FY 2012-13 Operating, Capital, Capital Replacement and Revenue Budget represents a spending plan that is sustainable based upon projected revenues meeting projected expenditures of \$7,934,396. This budget document is the culmination of considerable effort on behalf of staff as well as the FY 2012-13 Budget Review Committee. Key to the preparation of this budget was to ensure all carry-over projects are properly accounted for, that revenue projections are based upon historic and anticipated revenues, and that spending is prudent and sensible. These budget totals reflect Encumbrance(s) Carry Over (re-Budgeted fees) of \$141,871 for O&M and \$1,562,842 for Capital Improvement Projects that are either under construction or pushed into FY 2012-13.

In August of 2011, the Board of Directors adopted a two (2) year water and sewer rate structure that resulted in a revenue stream capable of meeting the District's financial obligations while accounting for the capital needs that are necessary to operate the District's infrastructure.

The primary sources of revenues are derived from Property Tax charges for water and wastewater usage, charges for commercial sewer and water and charges for residential water service. The remaining revenue sources can be attributed to miscellaneous reimbursements, charges and fees.

Revenues are projected to be \$7,934,396 and includes the aforementioned projected rate increase and \$921,181 related to proceeds from Financing for capital projects.

There are not any staffing changes proposed for the coming year, and the number of Full Time Equivalent (FTE) remains the same as the current fiscal year. The FY 2012-13 Position Schedule is attached and is a part of the proposed budget.

This budget is a budget where revenues meet expenditures, where staffing levels do not change, and where service levels continue to improve. More importantly, however, it begins the multi-year process of ensuring that the District's infrastructure needs continue to be met while offering a strategic look at the overall assets of the District.

I would like to thank my staff for all of their assistance that went into this budget, especially Virgil Koehne, Fairin Perez, Dina Breitstein, and Calista Anderson. Their efforts are appreciated and I am grateful for their assistance.

Respectfully submitted,

A handwritten signature in blue ink that reads "Rick Howard". The signature is fluid and cursive, with a long, sweeping tail that extends to the right.

Rick Howard  
General Manager

***Town of Discovery Bay Community Services District  
Contra Costa County, California***

***The Town of Discovery Bay Community Service District: At a Glance***

Discovery Bay was established in the early 1970's as a weekend and summer resort community. Today, Discovery Bay has evolved into a thriving year-round home for more than 13,000 residents who enjoy small-town living against the backdrop of over 1,200 miles of Delta waterways. Discovery Bay boasts a full-service marina, three (3) public schools, one (1) private school, as well as two (2) shopping centers and a planned business park. However, this small town is no longer limited to Delta waterfront homes; it has developed into a community that provides something for everyone. Discovery Bay offers gated waterfront homes as well as Country Club homes located on a world-class golf course designed by Mike Asmundson. There are two (2) gated communities; Lakeshore and The Lakes, as well as nearby Ravenswood, a community planned around a public park.

The approximately 9 square mile area known as the Town of Discovery Bay Community Services District (TODBCSD) was formed in 1997 following a vote of the people to form an Independent Special District with the purpose of providing essential public services to its residents. The Contra Costa County Local Agency Formation Commission (LAFCO) has authorized the TODBCSD the responsibility of providing the following special services to the residents of Discovery Bay:

- Water supply collection, treatment, and distribution
- Wastewater collection, treatment and distribution
- Parks and Landscape Maintenance
- Recreational Activities (Coming Soon)

***District Form of Government***

California's Independent Special Districts are legislatively authorized pursuant to California Government Code Sections 61000-61850. The Town of Discovery Bay Community Services District is governed by an elected five (5) member Board serving staggered four (4) year terms. The Board employs a General Manager to administer the day to day operations of the District.

### Population

The 2010 census shows the total population in Discovery Bay to be 13,352 people.

### Water Services

The Town of Discovery Bay CSD owns and maintains over sixty (60) miles of water mains in seven (7) residential developments: Discovery Bay West (Village 1, 2, 3 and 4, and Ravenswood); and two (2) of the older developments (Discovery Bay Proper and Centex). Currently, the District owns and operates five (5) water production wells that are located throughout the District and are capable of producing five million gallons of domestic water per day. The raw water is then treated in two (2) water treatment facilities with water storage capacity of 2.5 million gallons of treated water for customer distribution. The total water requirements of Discovery Bay are currently about 1,300 million gallons per year, which equates to an average daily demand of 3.6 million gallons per day.

### Wastewater Services

The District provides wastewater collection, treatment and distribution services to approximately 5,800 homes and businesses located in the town. The wastewater treatment process goes through two (2) separate conveyance systems; Plant 1 and Plant 2. Wastewater Treatment Plant 1 is located just north of Highway 4, within the Discovery Bay Development area. Wastewater Treatment Plant 2 is located south of Highway 4 at the Town's eastern boundary. The two (2) plants are interconnected and are dependent upon each other for various functions.

In order to facilitate and transport the raw wastewater to the main wastewater treatment, the District utilizes 15 wastewater lift stations to move the waste through 50 miles of sewer mains. The plants are capable of producing an average of 1.8 million gallons of wastewater per day. The wastewater treatment plants currently include an influent pump station, influent screening, secondary treatment facilities using oxidation ditches, and ultraviolet (UV) disinfection prior to discharging the treated water into Old River.

The water and wastewater facilities are operated and maintained by Veolia Water N.A. under a multi-year agreement with the TODBCSD.

### Parks and Landscaping Services

The District maintains all the public parks and publically owned landscaped areas in Discovery Bay. Over the past few years, the Board of Directors has established priorities to improve the landscape areas of Discovery Bay. Improvements can be seen throughout town, including the recently completed Discovery Bay Boulevard

landscape enhancement project. The District has also initiated a number of projects within our parks system, including the recent completion of the Ravenswood Park Splash Pad, and the new playground at Cornell Park.

The landscape areas in Discovery Bay are broken down into five (5) landscape zones. Two (2) of those zones are owned by the TODBCSD, with the remaining three (3) owned by Contra Costa County, and maintained under contract by the District. The five Landscaping & Lighting zones are:

Discovery Bay Landscape & Lighting Zone #8:

Zone 8 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Highway 4, Clipper Drive, Discovery Bay Boulevard, Willow Lake Road, and a variety of smaller landscaped areas. Cornell Park & Roberta Fuss Tot Lot are also included in this zone.

Discovery Bay Landscape & Lighting Zone #9 (Ravenswood):

Zone 9 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Wilde Drive and Poe Drive. Ravenswood Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #35:

Zone 35 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. The zone includes the landscaped median islands on Bixler Road at the intersection of Highway 4, and a pedestrian pathway from the Sandy Cove Shopping Center to Newport Drive. There are also included two pedestrian bridges along the path.

Contra Costa County Landscape & Lighting Zone #57:

Zone 57 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes all landscaped streetscape frontages in and outside of the Centex Development, along Highway 4, a portion of Bixler Road, and two (2) small parking areas. Regatta Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #61:

Zone 61 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes landscaped streetscape frontages along a major portion of Bixler Road, Point of Timber Road, the Park & Ride lot, a portion of Newport Drive, Preston Drive and Slifer Drive. Slifer Park is also included in this zone.

Recreation Services

The Town of Discovery Bay Community Services District is also responsible for providing recreational activities to the residents of the District. The most important project currently underway related to recreation services is the proposed community center project. Once the community center is built, it is anticipated that community recreational programs and activities will take place within the new facility.

Town of Discovery Bay CSD  
2012-2013 Program Summary

<b>Department:</b>	<b>General Manager</b>
<b>Program Area:</b>	<b>Administration</b>

**Program Description:**

The Town of Discovery Bay CSD Administration Department is comprised of the Administration and Finance functions and operates under the Board of Directors where the Board of Directors acts as the legislative policy making body and the General Manager serves as the administrative head of the District. The Administration Program provides information necessary for the Board of Directors to establish priorities and make well-informed decisions on policy matters. In addition, this program provides staff support for ad hoc or advisory committees formed by the Board of Directors on an as-needed basis. In general, the Administration program supports and directs all departments, enabling them to carry out day-to-day operations, services and planning efforts.

**Accomplishments, 2011-2012:**

- Continue to forward information to the Board as necessary and in a timely fashion
- Implemented "Agenda Forecast" sheet to track status of agenda reports and district business items to ensure items don't "fall through the cracks"
- Reorganized and upgraded Financial Services Division and hired Finance Manager
- Updated Purchasing & Procurement Policy
- Updated and revised Board Bylaws and Board Policy
- Worked with the Budget Review Committee to produce a budget that was adopted on time
- Created a new budget document with enhanced budget contents
- Worked with Community Center Committee to develop a comprehensive set of recommendations to the Board
- Worked with Communications Committee to develop a comprehensive set of recommendations to the Board
- RFP for new Audit services
- Established vehicle fuel/maintenance tracking report program
- Successful SDRMA site inspection audit

- Development of emergency plan (currently under review)
- Development of safety manual
- Establishment of comprehensive employee job descriptions
- Developed new and comprehensive employee performance reviews
- Updated website with numerous documents and information for public review

**Objectives, 2012-2013:**

1. Review issues, policies in regards to internal controls
2. Review processes and look for areas for automation specifically Agenda Preparation

Town of Discovery Bay CSD  
2012-2013 Program Summary

<b>Department:</b>	<b>Financial Services</b>
<b>Program Area:</b>	<b>Administration</b>

**Program Description:**

The Town of Discovery Bay CSD Administration Department is comprised of the Administration and Finance functions and operates under the Board of Directors where the Board of Directors acts as the legislative policy making body and the General Manager serves as the administrative head of the District. The Finance program operates a governmental accounting, reporting and records maintenance system that provides financial information to both as well as external users and internal management. This program controls and monitors the receipt and disbursement of public funds in compliance with statutory requirements and professional accounting standards. This program also has the responsibility for coordinating all external auditing functions including the annual financial audit and audits by all outside agencies. The Finance function is responsible for the continuing development of financial accounting software and implementation of new technology to increase efficiency in accounting processes and to improve both internal and external reporting. This program also oversees the implementation of any new accounting pronouncements by the Governmental Accounting Standards Board (GASB). The payroll function of this program processes payroll for all District employees including interfacing with the District's payroll service provider and assuring compliance with all regulatory requirements, laws and District policies pertaining to payroll.

**Accomplishments, 2011-2012:**

- As part of an overall effort to improve productivity, the Administration Department added a new position in 2011-2012. The Finance Manager enables the District to have a qualified staff that has knowledge of Generally Accepted Accounting Principles and adequately prepare financial statements.

- To further increase productivity Administration Staff has purchased and begun the implementation of a new Financial Software System to maintain growth and need for fiscal conservatism.
- Developed the Investment and Reserve policies to ensure stability and internal controls, as well as created processes and procedures such as the Disposition of Surplus property.

**Objectives, 2012-2013:**

1. Review issues, policies in regards to internal controls
2. Streamline and review issues with Datamatic Corp. who provides wireless services for our water meter reads and billing system.
3. Fully implement new Caselle Financial Suite Software
4. Review processes and look for areas for automation such as filing and financial reporting.
5. Provide staff training pertaining to financial and billing systems, educational requirements as well as staff development training.
6. Develop procedures pertaining to financial reporting, including preparing a month end reporting.
7. Develop more comprehensive financial reporting models.

Town of Discovery Bay CSD  
2012-2013 Program Summary

<b>Department :</b>	<b>Public Services</b>
<b>Program Area:</b>	<b>Wastewater</b>

**Program Description:**

The Town of Discovery Bay Wastewater Program provides for the collection, conveyance, treatment and discharge of treated effluent. Specifically, the Wastewater Program provides information necessary for the Board of Directors to establish priorities and make well-informed decision in regards to the Town's wastewater matters. In addition, this program provides staff support for ad hoc or advisory committees formed by the Board of Directors on an as-needed basis. In general, the Water program supports and directs the wastewater contractor, enabling them to carry out day-to-day operations, services and planning efforts. In addition, this program negotiates, administers, implements, and approves contracts for the provision of municipal services.

**Accomplishments, 2012-2013:**

- Initiated Multiyear bio-solids handling Construction Project
- UV command System Shade Structure completed
- Completed Wastewater Master Plan and conducted workshop
- Entered into contract with HERWIT Engineering for ongoing District Engineer services

**Objectives, 2012-2013:**

1. Start Design work on adding a new Oxidation Ditch, Clarifier and headwork's splitter box, for Plant #2.
2. Start design work to rehab Lift Station W, located at Plant #1, which will utilize "emergency" 10-million gallon holding lagoon.
3. Rehabilitate sewer manholes in the District, as necessary.

Town of Discovery Bay CSD  
2012-2013 Program Summary

<b>Department:</b>	<b>Public Services</b>
<b>Program Area:</b>	<b>Water Quality</b>

**Program Description:**

This Program provides water production, treatment & distribution to approximately 6,000 homes and businesses. Specifically, the Water Program provides information necessary for the Board of Directors to establish priorities and make well-informed decision in regards to the Town's water matters. The Water Quality program is responsible for the enforcement of regional water quality regulations. Response procedures have been developed to react to citizen water quality complaints and to pursue violations observed in the field. The program also assists with the development of water quality educational materials and outreach.

**Accomplishments, 2011-2012:**

- Completed Water Master Plan and conducted workshop
- Development of a "Monitoring Well" program with real-time measurements of current water levels.
- Replace filter media, for Filter vessel A & B at Willow Lake Site.
- Utilizing divers, inspect inside of all water storage tanks (with positive findings)

**Objectives, 2012-2013:**

1. Plan and initiate construction of Well 7
2. Plan for first segment of water main replacement.
3. Chemical Room upgrade at Willow Lake Location

Town of Discovery Bay CSD  
2012-2013 Program Summary

<b>Department:</b>	<b>Parks &amp; Landscaping Services</b>
<b>Program Area:</b>	<b>Parks &amp; Landscaping</b>

**Program Description:**

The Parks and Landscaping Program provides for the planning, maintenance & capital needs of the parks & landscaping network in Discovery Bay. Specifically, the Parks & Landscaping Program provides information necessary for the Board of Directors to establish priorities and make well-informed decision in regards to the Town's parks and landscaping matters. This program provides a comprehensive maintenance and rehabilitation program for 5 parks and the streetscapes inside Discovery Bay. In addition the maintenance and rehabilitation program includes repair and maintenance of the parks within Zones 8, 9, 35, 57, 61 and the Park n Ride area. This program conducts preventative maintenance on streetscapes, which includes design and planting and ensuring proper drainage. This program maintains and replaces all plants and trees to ensure health, vitality and visual appeal as well as maintains inventory lists annually to project funding and scheduling of future repairs, projects and replacement.

**Accomplishments, 2011-2012:**

- Completion of Cornell Park Playground Renovation Project
- Renovated Tennis Courts, Cornell Park
- Removal and Reinstallation of Regulation Size Horse Shoe Pits, Cornell Park
- Renovation of Bocce Courts, Cornell Park
- Tot Lot Removal, Cornell Park
- Installation of new landscaping along Discovery Bay Blvd. (East), In House
- Completion of Regatta Park Basketball Court Construction Project
- Irrigation upgrades, improved water efficiency – Slifer & Regatta Parks
- Successful management and continued coordination of EBRPD WW Grant Funds
- Coordination of community planting and clean-up project (Earth Day), Over 115 trees to Slifer Park and surrounding area.
- Completed first winterization and restart of Ravenswood Splash Pad.
- Completed Draft 5 Year CIP budgets - Zones 8, 9

- Completed and coordinated with Contra Costa County on the environmental review process and design approval for Slifer Park Shade Structures.

**Objectives, 2012-2013:**

1. Successfully complete all approved Capital Improvement Projects on time and within budget.
  - Slifer Park Shade Structure(s) Addition Project
  - Slifer Park Playground Surfacing Upgrade
  - Zone 35 Pedestrian Pathway resurfacing
  - Clipper Drive Planting Improvement Project
  - Cornell Park Pickle Ball Court Addition Project
  - Cornell Park Splash Pad Project
  - Cornell Park Lighting (Solar) Replacements
  - Cornell Park Bench and Picnic Table upgrades
  - Newport Drive Planting Improvements
  - Point of Timber Planting Improvements
2. Implement staff training programs; pesticide safety, parks and recreation management, Oasis irrigation management, arborist certifications, equipment safety protocol.
3. Scan all final landscape and irrigation plan sets to allow for paperless accessibility.
4. Continue to track and manage landscape water usage; improve efficiency rates and water conservation.
5. Collaborate internally to integrate and transfer all Landscape Zones financial tracking to Accounting Department.
6. Continue to manage current approved Grant programs; research and seek out additional funding sources (qualifying grants, sponsorships, etc.).

*Town of Discovery Bay Community Services District  
Contra Costa County, California*

*Revenues – “Where the money comes from”*

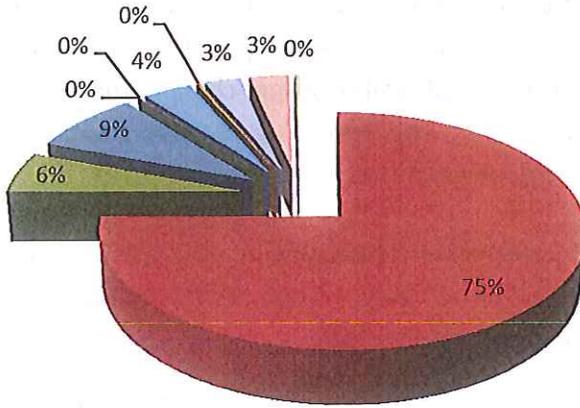

The following table identifies the various sources of revenue that can be anticipated during the course of the coming fiscal year. As is evident in the table, the primary sources of revenues are derived from Property Tax charges for water and wastewater usage, charges for commercial sewer and water and residential water service fees. The remaining revenue sources can be attributed to miscellaneous reimbursements, charges and fees.

Of the approximately 5,000 residential and commercial properties in Discovery Bay, roughly 2,200 are billed for water use through meters. The remaining 2,800 properties are scheduled to receive water meters prior to the state mandated date of 2024.

REVENUE PROJECTIONS - DRAFT Fiscal Year 2011-12	2011/2012	2011/2012	2011/2012	2010/2011	2012/2013

- Proceeds from Financing \$921K

*Town of Discovery Bay Community Services District  
Contra Costa County, California  
Operations and Maintenance Budget*

The Operations and Maintenance Budget for the Fiscal Year 2012-13 represents the day-to-day spending plan that meets the needs of the District and keeps it running smoothly and efficiently. The proposed plan was developed by forecasting actual historical expenses and known costs and integrating that data into a fiscal spending plan that best represents anticipated future expenditures.

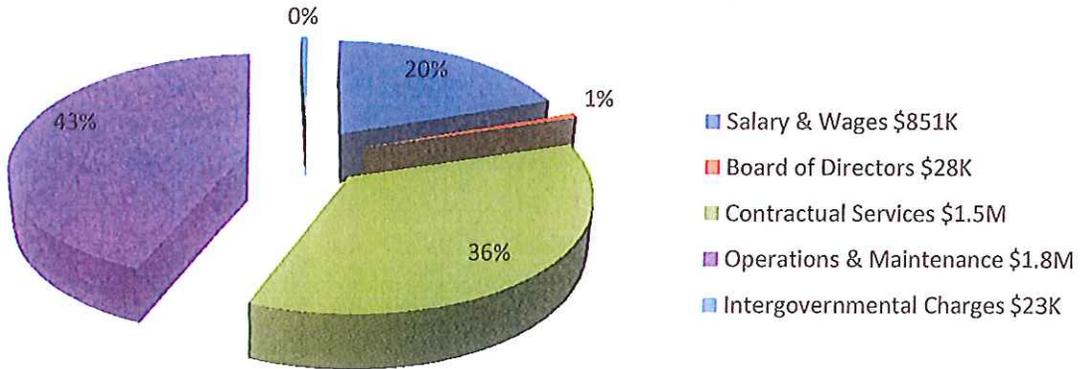

For FY 12-13 the O&M budget remains essentially the same as FY 2011-2012. The Operations and Maintenance (O&M) program has a proposed spending plan of \$4,603,133 which represents an increase of \$177,437 or 4% over FY 2011-2012. Increases to the O&M program are evident in the Contractual Services section where an increase of \$43,500 is proposed over current year projected actuals for Legal Service and a \$9,000 increase for Election Expense; and a \$17,000 increase in Liability and Property Insurance. This increase represents a variety of factors, including properly accounting for Insurances, accurately attributing to consulting activities in regards to the Water and Wastewater Master Plan. Overall, however, staffing is projected to continue with the same number of Full Time Equivalents (FTE) as the current fiscal year.

**FY 2012-2013 Proposed Operations & Maintenance Budget**

*Town of Discovery Bay Community Services District  
Contra Costa County, California  
Capital Improvement Program Budget*

The Capital Improvement Program for Fiscal Year 2012-2013 is valued at \$3,004,181 and includes funding necessary to properly service, maintain and support the basic functions of District operations, design for the two (2) CIP Water & Wastewater Master Plans as well as \$800,000 for the approved CIP Solids Improvements, Phase 1: New Solar Dryers and 2 Belt Presses project started in FY 2011-2012.

The CIP is broken down into Six (6) distinct areas – Wastewater Capital Improvements; Wastewater Structures & Improvements; Water Capital Improvements; Water Structures & Improvements; Equipment; and Infrastructure Replacement. All of the projects that are included as a part of the CIP represent projects that continue to maintain existing infrastructure, as well as preparing to accommodate future development.

The Water and Wastewater Master Plans that were commissioned late in fiscal year 2010-2011 were completed, have been reviewed by the Board of Directors and were accepted. Future residential and commercial development in Discovery Bay will determine the timing of any capital improvements necessary to accommodate any new growth.

*Wastewater– Capital Improvements and Structures & Replacements*

The Wastewater CIP and Structures & Replacements represent Twelve (12) projects at a total combined cost of \$1,962,781; of which \$699,781 is allocated for design work of the Wastewater Master Plan which will be financed. \$800,000 is allocated for Solids Improvements, Phase 1: New Solar Dryers and 2 Belt Presses approved in FY 2011-2012. Included in the CIP is \$1,560,843 in carry-over funds necessary to close out the remainder of projects associated with the FY 2011-2012.

*Water Capital Improvements and Structures & Replacements*

The CIP for Domestic Water production includes Five (5) projects at total combined cost of \$436,400. The projects include \$221,400 for design of Well 7 which will be financed. Included in the CIP is \$1,999 in carry-over funds necessary to close out the remainder of projects associated with the FY 2012-2013.

*Equipment: Capital*

There are Three Equipment purchases listed for Administration, Water and Wastewater departments totaling \$105,000. These Equipment purchase are as follows; Electronic Message Board \$70,000; Boom Lift (cost split between the Parks & Landscaping and Water and Wastewater Departments) \$25,000; and Security Cameras for the Water and 1 Wastewater Treatment Plants \$10,000.

*Infrastructure Replacement Fund*

The addition of the Infrastructure Replacement Fund allocates \$500,000 in four distinct areas: Sewer Infrastructure; Pumps and Motors Replacement; Water Infrastructure; and Facilities and Vehicles Replacement.

### CAPITAL IMPROVEMENT PROGRAM

FY 2011/2012

### FY 2012 -2013 Proposed CIP \$3.004M

*Town of Discovery Bay Community Services District  
Contra Costa County, California  
Parks and Landscape*

The District maintains all the public parks and publically owned landscaped areas in Discovery Bay. The landscape areas in Discovery Bay are broken down into five landscape zones. Two of those zones are owned by the Town of Discovery Bay CSD, with the remaining three owned by Contra Costa County, and maintained under contract by the District. The five Landscaping & Lighting zones are:

Discovery Bay Landscape & Lighting Zone #8:

Zone 8 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Highway 4, Clipper Drive, Discovery Bay Boulevard, Willow Lake Road, and a variety of smaller landscaped areas. Cornell Park & Roberta Fuss Tot Lot are also included in this zone.

Discovery Bay Landscape & Lighting Zone #9 (Ravenswood):

Zone 9 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Wilde Drive and Poe Drive. Ravenswood Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #35:

Zone 35 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. The zone includes the landscaped median islands on Bixler Road at the intersection of Highway 4, and a pedestrian pathway from the Sandy Cove Shopping Center to Newport Drive. There are also included two pedestrian bridges along the path.

Contra Costa County Landscape & Lighting Zone #57:

Zone 57 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes all landscaped streetscape frontages in and outside of the Centex Development, along Highway 4, a portion of Bixler Road, and two small parking areas. Regatta Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #61:

Zone 61 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes landscaped streetscape frontages along a major portion of Bixler Road, Point of Timber Road, the Park & Ride lot, a portion of Newport Drive, Preston Drive and Slifer Drive. Slifer Park is also included in this zone.

Town of Discovery Bay Landscape and Lighting Zone #8

**Town of Discovery Bay Community Services District**  
**Contra Costa County, California**  
**Salary and Wages**

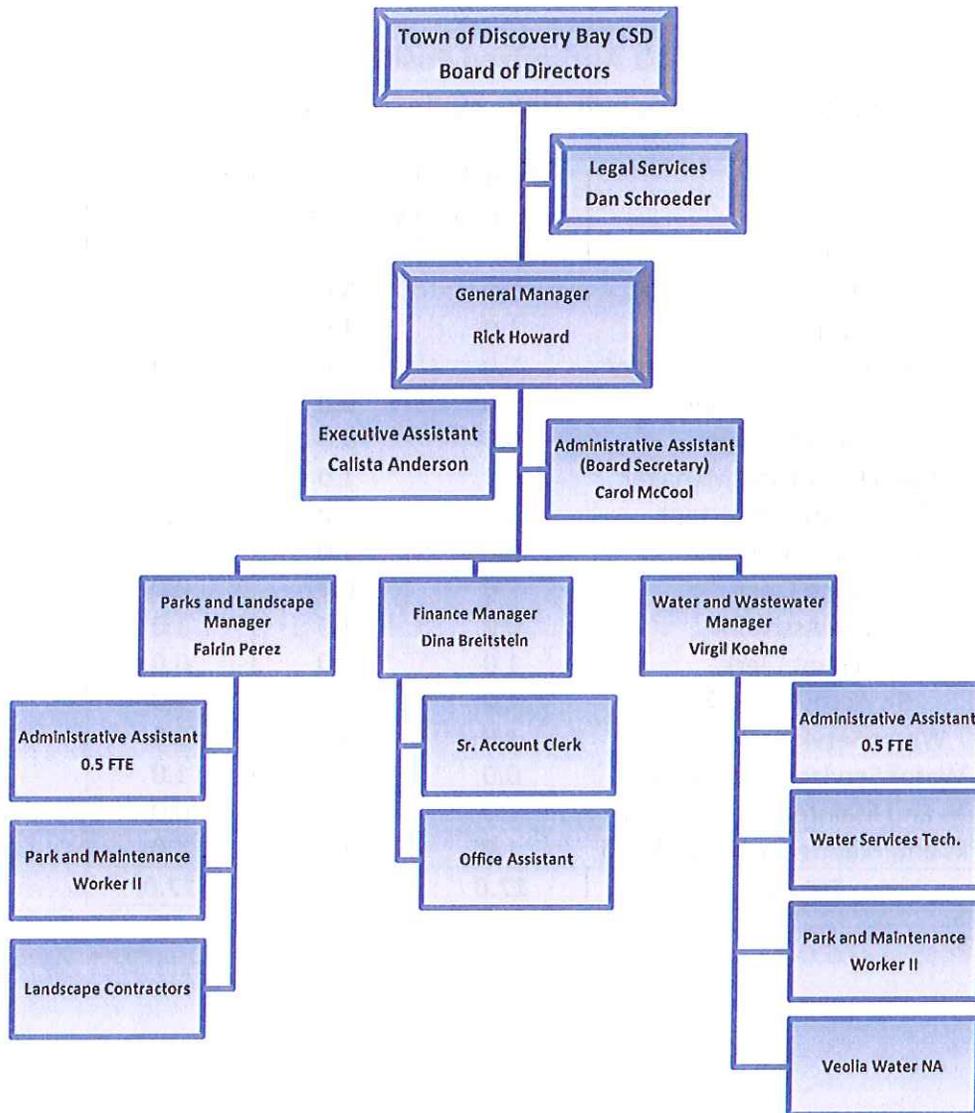

The Town of Discovery Bay lies within the metropolitan statistical areas of San Francisco/Oakland/San Jose. However, it is geographically closer to the farmlands of the central valley and the cities of Brentwood, Stockton and Tracy. The proximity to the employment centers of the Bay Area and those of the Central Valley determine the labor pool from which the District recruits its workers. In order to maintain a qualified and motivated workforce, it is necessary to provide a salary and compensation package that is commensurate within industry norms and within the financial means of the District.

**Salary Schedule**

Classification	Range #	Minimum Pay Rate				Maximum Pay Rate			
		Hourly	Bimonthly	Monthly	Annual	Hourly	Bimonthly	Monthly	Annual

3135	CIP Water		\$ -	\$ 124,000	\$ 115,000	\$ 251,400	\$ -
	Source Capacity						
	Well 7	1a			\$ -10,000	\$ 221,400	
	Well 8	1b					
	Well 1B pump Equipment Upgrade	1d				\$ 30,000	
	Treatment Filter at Willow Lake						
	ement Filter unit at Willow Lk WTP vessel, media, foundation, all new face piping & controls	2a					
	New Backwash Tank at Willow Lk WTP piping modifications & foundation	2b					
	New Recycle Pumps at Willow Lk WTP 3 pumps, piping & controls	2c					
	Recycle Pump Upgrade - Newport	2e					
3150	Structures & Improvements Wastewater		\$ -	\$ -	\$ -	\$ 1,652,781	\$ -
	Influent Pump Station Modifications	1				\$ 58,882	
	RE-Activate Pump Station W	2				\$ 21,319	
	Emergency Storage Facilities	3				\$ 14,580	
	Splitter Box, OX ditch, Clarifier, RAS pumps at Plant 2, standby Aerators	4				\$ 605,000	
	Reverse Osmosis Facilities	11					
	Solids Improvements, Phase 1: New Solar Dryers and 2 Belt Presses	13			\$ 800,000	\$ 800,000	
	Rehab Manholes					\$ 18,000	
	Raise Manholes					\$ 10,000	
	Spare NTU Sensor					\$ 60,000	
	Road Crossing Ramps					\$ 15,000	
	Salinity Project					\$ 50,000	
3165	Structures & Improvements Water		\$ -	\$ -	\$ -	\$ 185,000	\$ -
	Water Distribution System						
	Replace 8-in mainline w/new 16-in C905 - willow lk from Disco Blvd to Beaver Ln	3b				\$ 150,000	
	Storage Tanks						
	New Water Storage Tank - Newport WTP	4a					
	Willow Lake WTP Chemical Room Upgrade					\$ 25,000	
	Security Door Locks					\$ 10,000	
3180	Infrastructure Replacement Fund		\$ -	\$ 320,000	\$ 320,000	\$ 500,000	\$ -
	Sewer Infrastructure Replacement Program		\$ 150,000	\$ 150,000	\$ 150,000	\$ 200,000	
	Pumps/Motors Replacement Fund Program		\$ 40,000	\$ 40,000	\$ 40,000	\$ 50,000	
	Water Infrastructure Replacement Program		\$ 100,000	\$ 100,000	\$ 100,000	\$ 200,000	
	Facilities & Vehicles Replacement Fund		\$ 30,000	\$ 30,000	\$ 30,000	\$ 50,000	
	Encumbrance(s) Carry Over (Re-budgeted) Capital					\$ 1,562,842	
	Capital Totals		\$ 856,610	\$ 1,569,665	\$ 892,316	\$ 2,083,000	
	Bond Financed Totals					\$ 921,181	
	Growth Induced Totals						
	Total Capital		\$ -	\$ 1,569,665	\$ 892,316	\$ 3,004,181	\$ 1,434,516
	Total Capital Plus Encumbrance(s) Carry Over (Re-budgeted) Capital		\$ -	\$ 1,569,665	\$ 892,316	\$ 4,567,023	\$ 1,434,516

FY 2012-2013 Proposed Capital Improvement Budget							
Pending Approved June 2012
