

Town of Discovery Bay
A California Community Services District
"Friday Letter"
To the Board of Directors
June 12, 2015

From: Rick Howard, General Manager

General Manager/Administration:

- ✓ I stopped by the area where the water weeds are off-loaded yesterday just as another load was being delivered. The prior loads are drying pretty nicely, and I did not observe any odor from the older loads, although the new load was quite pungent. Once it was spread it will dry quickly, especially in this heat.

- ✓ Rec 800 finished their first leg last week as I noted to you then. Unfortunately, they encountered additional clam shells when they CCTV'd the siphon lines. Needless to say, they're still at it. He told me today that they should wrap up this afternoon. Here's a picture of the rubber raft pulled from one of the drains that was causing a major part of the blockage:

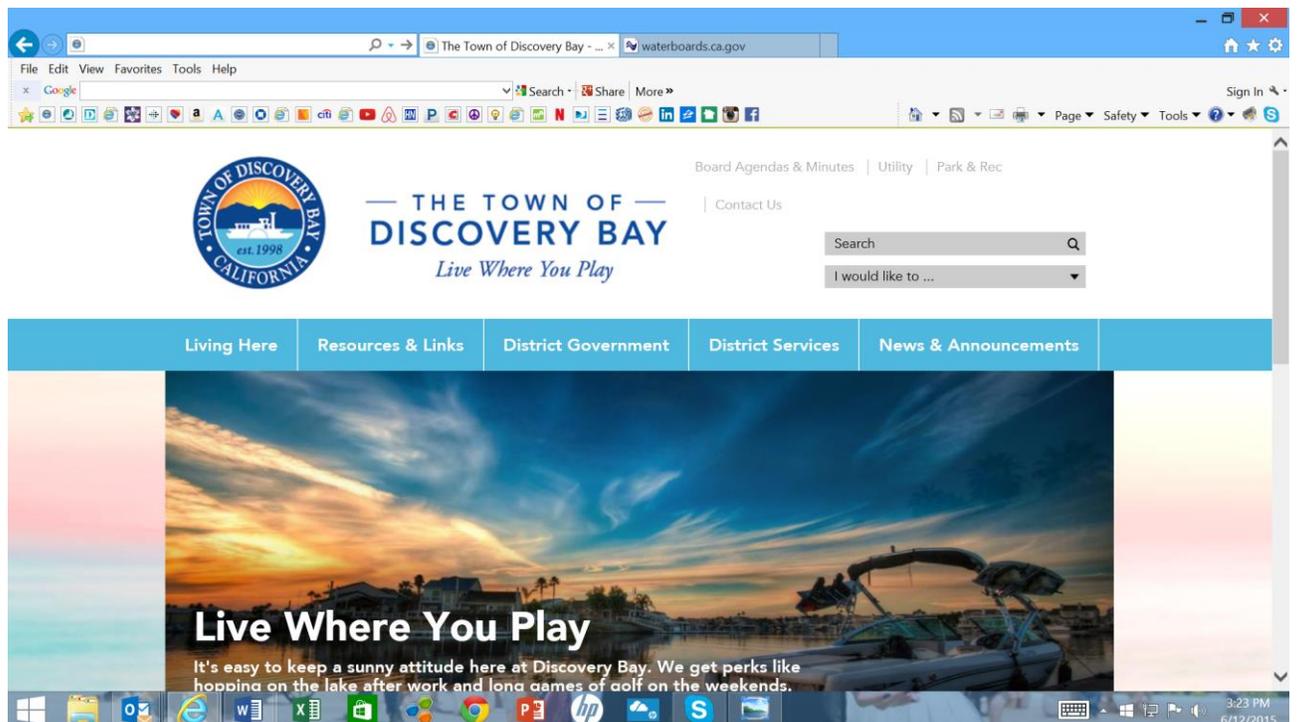

- ✓ The FY 2015-16 Budget is finally finished! Pending Board approval next Wednesday, it's all wrapped up. We have a few minor edits to correct but that will take place when we finalize the document once the final figures are all in for the current year. Dina gets all the credit on this one!
- ✓ Tuesday at 3:00 p.m. we will be hosting a Large Water (Commercial Accounts) informational meeting at the Community Center. Letters have been sent to all DB businesses and they are all invited to attend. Please also attend if you are available.
- ✓ The Community Center Pool is open for the summer! We had over 100 swimmers on Monday, and other than the day it rained, we have had very steady numbers. We've sold a number of family passes and 10 punch cards as well as collecting \$3.00 per swimmer.

The message that we're here and open for business has finally set in with the community. For the week (through noon today) we've had 454 paid swimmers check in at the pool (paid at door and passes). Pool hours are Noon to 6:00 Saturday and Sunday and 1:00 p.m. to 5:00 p.m. during the week.

- ✓ Congratulations to Estevan Rocha for hitting his 5 year anniversary with the Town on May 17th! Other than Virgil, Steve is the longest tenured employee. Congratulations Steve!
- ✓ Believe it or not, I hit the 5 year mark this Sunday, June 14. Time flies when you're having fun! Truthfully, it's been the highlight of my career to have been able to work here. We've achieved so much together, with so many more accomplishments to look forward to in the future. Thank you.

- ✓ The Consumer Confidence Report has been delivered to the Post Office and should be delivered to the homes of Discovery Bay soon.
- ✓ Sue returned to work this Wednesday. We're all happy she's back! Stop by and welcome her back when you get a chance!
- ✓ A number of us spent the better part of Wednesday getting trained on the new website. It is really quite impressive. I'll demonstrate it to the Board at Wednesday's meeting. We hope to turn it on by the end of July, or sooner if everything falls into place!

- ✓ As I noted to you under separate cover, Recreation Projects Coordinator Dan Meewis has accepted a position with the city of Seaside in a similar capacity. Dan's last day with us will be July 1. We wish Dan well in his future endeavors.

Important Dates:

Upcoming important dates are as follows:

- Concert at Marina – Tomorrow 5 – 8 pm.
- CSD Regular Board Meeting – Wednesday, June 17 at 7:00 p.m.
- CSD Regular Board Meeting – Wednesday, July 1 at 7:00 p.m.
