

TOWN OF DISCOVERY BAY
COMMUNITY SERVICES DISTRICT

RESOLUTION 2016-08

A RESOLUTION OF THE BOARD OF DIRECTORS
OF THE TOWN OF DISCOVERY BAY,
A CALIFORNIA COMMUNITY SERVICES DISTRICT,
ADOPTING THE OPERATING, CAPITAL IMPROVEMENT
AND REVENUE BUDGETS FOR FISCAL YEAR 2016-17 AND FISCAL YEAR 2017-18

WHEREAS, The Town of Discovery Bay Community Services District is required pursuant to California Government Code Section 61110 to annually adopt a budget that identifies certain types of expenditures for the fiscal year that begins July 1st of each year; and

WHEREAS, The Finance Manager has prepared and submitted to the Board of Directors a Proposed Operating, Capital Improvement and Revenue Budget for the fiscal year beginning July 1, 2016 and ending on June 30, 2017; and

WHEREAS, The Board of Directors has considered the budget and the comments thereon, and has determined that it is necessary for the efficient management of the District to appropriate revenues to the expenditure categories necessary to carry out the activities of the District as provided in the FY 2016-17 draft budget, and as may be amended.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE TOWN OF DISCOVERY BAY COMMUNITY SERVICES DISTRICT DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. The annual Operating, Capital and Revenue budgets for all operational functions of the Town of Discovery Bay Community Services District for FY 2016-17 is hereby adopted.

SECTION 2. The Budget Document for FY 2016-17 is incorporated herein and is made a part of this Resolution.

SECTION 3. The Board Secretary shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED THIS 15th DAY OF JUNE 2016.

William Pease
Board President

I hereby certify that the foregoing Resolution was duly adopted by the Board of Directors of the Town of Discovery Bay Community Services District at a regularly scheduled meeting, held on June 15, 2016, by the following vote of the Board:

AYES: 4 - President Pease, Director Graves, Director Suman, Director Shute
NOES: 0
ABSENT: 1 - Vice President Leete
ABSTAIN: 0

Catherine Kutsuris
Interim Board Secretary

June 1, 2016

Dear Board of Directors,

I am pleased to submit to the Town of Discovery Bay Board of Directors the Town's financial plan for the fiscal period July 1, 2016 through June 30, 2018. The annual Revenue, Operating and Capital Improvement Program budgets are the planning tools utilized by staff and the Board to track revenues and expenditures over the respective forecast period.

For the FY 2016/2018 planning horizon, staff continues to prefer the two-year budget format which allows for improved budgetary forecasts. While a two-year budget is presented, the Board only adopts the first year of the Budget, and each successive budget is adopted annually. The second year of the Operations and Maintenance budget (O&M) and the remaining four years of the CIP are included in the document but not necessarily included in the discussion below.

CAPITAL IMPROVEMENT PROGRAM

This year's CIP is limited in scope and size, District staff has reviewed the previous year's CIP project listing and reduced the CIP listing for this fiscal year by the following: \$2.4M for district offices, \$750K for replacing the 8 inch mainline, \$4M for plant 1 rehabilitation. The plant 1 rehabilitation is a project that the District would like to evaluate further.

The first major project planned is the immediate need to construct a Title 22 wastewater tertiary treatment. This project does not have a revenue source and is state mandated. Date specific times and milestones for this project have been established through the Town's NPDES permit and must be complied with throughout the planning and construction processes. The filtration project is programmed to cost \$7.07M. The Board will be spending the early part of this Fiscal Year identifying funding for this project. The Budget currently does not provide a revenue source for this project.

The second major project in FY 2016-2017 is the Water Meter Project. The District has begun the water meter roll out project for the other 3,800 homes that are not currently on the metered system. District staff has been surveying properties around Discovery Bay and placing the properties in 6 distinct categories from standard to more difficult. Upon completion of the surveyed properties the board of directors will be presented with the results and recommendations. The planned process for this state mandated project is; July 2017 the District will begin customer outreach, the bid process will begin in late summer early fall, construction to begin in early November 2016. The estimated completion of this project is spring 2017.

The Infrastructure Replacement Fund continues to be supported annually. This fund provides long term resources for future capital asset replacement in the areas of buildings, vehicles, equipment, as well as underground infrastructure. The ongoing programming of these funds will play a critical role in the Town's ability to plan for its long term financial needs. Since the fund was established in Fiscal 2011/2012, \$2.376 million has been placed into the capital replacement fund. In FY 2016/2017, an additional \$709,000 is programmed to be added, bringing total contributions (less withdrawals) to \$3.085 million.

OPERATION & MAINTENANCE

The operation and maintenance budget in the past has been reasonably flat year over year. This next fiscal year 2016-2017 there will be a 10% increase. This increase is in the following budget categories: salary & wages; due to 2 additional staff, insurances due to increased staff costs, additional water & wastewater facility Improvements & operations, consulting costs to evaluate our water and wastewater masterplans, and lastly the renewal of our 5 year contract with Veolia Water. Veolia water remains the Districts water and wastewater operators. Veolia Water maintains over sixty (60) miles of water mains in seven (7) residential developments: Discovery Bay West (Village 1, 2, 3 and 4, and Ravenswood); and two (2) of the older developments (Discovery Bay Proper and Centex). Currently, the District owns and operates six (6) water production wells that are located throughout the District and are capable of producing five million gallons of domestic water per day. Veolia also sustains Wastewater collection, treatment and distribution services to approximately 5,800 homes and businesses located in the town. The wastewater treatment process goes through two (2) separate conveyance systems; Plant 1 and Plant 2.

Throughout the budget document, the Board and public will be presented with a complete financial outlook of the district's finances relative to operating expenses and the day-to-day expenditures necessary to operate the district in a prudent and resourceful manner. As is customary, this year's budget also includes a Capital Improvement Program that continues to address the long-term capital needs of the District. The August 2012 Board action establishing the Discovery Bay Public Financing Authority continues to play an essential role in addressing many of those needs. The initial \$14.1 million program has been completed and all of the proceeds from the bond have been expended.

DISCUSSION

The Town of Discovery Bay will be ending FY 2015-2016 with a number of accomplishments. From an operational standpoint, the Town continues to operate efficiently and in a manner that is financially prudent. The past fiscal year witnessed a number of milestones, including the continuing maturation of the Community Centers Recreation Services by continuing to maintain community based age appropriate programs, activities and special events as well as focusing on future program development utilizing our town assets comprised of: The Tennis Complex, Aquatics Facilities, Community Center, Contract Services and Special Events.

The Landscaping department will be focusing on implementing Weather-Trac Irrigation Network throughout Discovery Bay and exploring "wetting" and other water based alternatives to help aid in the efficient use of irrigation.

The four year drought continues to envelop the state and Discovery Bay would ask its residents to maintain a 15% conservation of our water resources throughout the next fiscal year. This percentage was derived from our Urban Water Management plan and coincides with the Capital Improvement Program for future maintenance, development and water supply therein. If we as a District do not meet the 15% conservation goal the District will have to move forward some of the projected future infrastructure projects. This would be costly to the district as it would not allow us to build up monies in reserves overtime to be able to pay for these Capital assets.

As a result revenues will be significantly lower, with the possible use of reserves to augment the loss of revenue for FY 2015-2016. The use of reserves to cover revenue loss into FY 2016-2017 may not be sustainable. Bartle Wells Associates has conducted a comprehensive water and wastewater rate study to help lead the District through these economic and climatic challenges. That item has been presented to the Board of Director's for a Proposition 218 hearing to be held July 20, 2016. The proposed water rate increase for fiscal year 16/17 is 15%, 15% for FY 17/18 and 12% for FY 2019 through 2021 and the proposed wastewater increase of 11% for fiscal year 16/17, 11% 17/18, 4% for FY 2019 through 2021.

The BWA rate study was determined upon projected annual expenditures for the District Operating, Capital and Capital Replacement budgets for the next five (5) fiscal years. Additionally, this rate study and associated proposed rate adjustment(s) does not include any allowances for potential future development. The rates only provide for current operations and maintenance, necessary existing facility capital improvements, and the infrastructure and vehicle replacement funds.

The Water Rate Study conducted includes financing costs for Well 8, increased costs due to operations, maintaining current infrastructure, new staff for customer service and water services, and conservation costs to maintain our current and future infrastructure. This equates to an increase of \$4.90 per month. With this increase Discovery Bay remains at the bottom of the survey of the 13 surrounding agencies with an estimated monthly bill of \$37.56.

The Wastewater Rate Study conducted includes increase costs due to the management and maintenance of highly technical plant operations, assumed financing of \$7.4 million for the Filter project over 30 years, to support the needs of higher level of treatment, and the reduction in metered commercial sewer flow due to the drought. This equates to an increase of \$6.81 per month. With an average bill of \$68.78 per month.

As indicated by the surveys included in the BWA study, Discovery Bay has a substantially lower water rate of the agencies surveyed, and the wastewater rates are competitive. When blended together, the overall rates paid by Discovery Bay residents are the below the median of the Thirteen (13) agencies surveyed.

Starting in FY 2016-2017, the Town will embark on a water meter roll-out system. Planning is currently on course, and community outreach programs should be set to begin this summer and into early fall. At this point, it appears that the remaining 3,800+/- unmetered properties will be metered by the end of FY 2016-2017.

For Fiscal Year 2016/2017, the Budget summary is as follows:

Adopted FY 2015/2016 Operating and Capital Improvement Program Budget		Proposed FY 2016/2017 Operating and Capital Improvement Program Budget	
Total O&M Budget	\$5,374,443	Total O&M Budget	\$6,097,152
Debt Service	\$827,000	Debt Service	\$829,000
Contribution to Reserves	\$0	Contribution to Reserves	\$0
Capital Budget	\$3,295,000	Capital Budget	\$908,000
Proposed Financing for CIP projects	\$7,070,740	Proposed Financing for CIP projects	\$10,070,740
Infrastructure Replacement Fund	\$525,000	Infrastructure Replacement Fund	\$709,000
Grand Total Expense Budget	\$17,092,183	Grand Total Expense Budget	\$18,613,892
Grand Total Revenue	\$17,092,183	Grand Total Revenue	\$18,613,892

The Operating and Maintenance (O&M) section of the budget is proposed to be \$6,923,152 (included debt service) for the coming fiscal year. A proposed increase of 10% over current year budget (FY 2015-2016) is projected. Areas of spending in the proposed O&M Budget include an accurate reflection of expenditures based upon past years' historical data, as well as current and future contractual obligations.

We look forward to continuing our ongoing partnership with Veolia Water. Subsequently, staff recently completed the process of negotiating a 5 year contract extension, as provided for in the initial contract. The renewal process was extensive, and both parties have had an opportunity to review and discuss operational needs moving into the next five year cycle.

The Capital Improvement Program (CIP) proposes expenditures of \$11,687,740 with a large portion of those needs derived from the Water and Wastewater Master Plan studies. Those studies have been previously accepted by the Board of Directors during FY 2011/2012, and are budgeted for review and update in FY 2016/2017. As previously discussed, many of the projects contained in those plans are either complete, in design, under construction or need further review. FY 2016/2017 will continue to be a busy year as we begin the projects that have been required.

As noted previously in this transmittal letter, this budget continues to fund the Infrastructure Replacement funds for above and below ground infrastructure needs. The addition of the Infrastructure Replacement Fund was specifically addressed and again recently noted as an essential component to the budget by the District's independent auditors. As of June 2016 \$2,376,347 is currently in that fund for future capital replacement needs with a finalized number to be calculated at year end.

The key to the preparation of this budget is to ensure all carry-over projects are properly accounted for, that revenue projections are based upon historic and anticipated revenues, and that spending is prudent and sensible. As the end of the Fiscal Year is June 30, 2016, staff will incorporate the final encumbrances into the document once the actual carry-over figures are determined, most likely in September once the County closes out their books.

The primary sources of revenues are derived from Property Tax charges for water and wastewater usage, charges for commercial sewer and water, and charges for residential water service. The remaining revenue sources can be attributed to miscellaneous reimbursements, charges and fees. In Parks and Landscape, revenues are generated by Landscape Zones 8 and 9, as well as with landscape contracts with Contra Costa County for County Zones 57, 61. Zone 8 revenues are expected to increase by \$22,000 to \$514,207 and Zone 9 revenues are expected to increase \$14,000 to \$128,000.

The amount of the contribution to reserves will be known once FY 2015/2016 is closed out. While a year end surplus of revenues over expenditures is hoped for, water revenues may derail the overall revenue stream, necessitating an even larger draw from the water enterprise. Once that amount is identified, that surplus will be transferred into the general reserve account. As of today, the General Reserve Account contains \$4.4M, well above the \$3.0M threshold established by the Board.

I am pleased to present a budget where staffing levels meet projected needs, and where service levels continue to improve. More importantly, however, it continues our multi-year process of ensuring that the District's infrastructure needs are met while offering a strategic look at the overall assets of the District.

I would like to thank and acknowledge Directors Mark Simon and Bob Leete for their contributions and assistance in the preparation of the FY 2016/2017 annual operating, capital and revenue budgets. The committee completed their work and recommended the proposed budget be submitted to the Board of Directors for consideration and eventual adoption.

I would also like to thank the entire Board of Directors for their support over the past fiscal year. In preparing for the next fiscal year and continuing into the future I expect that District will continue to remain resourceful, innovative, and successful.

Respectfully submitted,

Dina Breitstein
Finance Manager

Contra Costa County, California*

The Town of Discovery Bay Community Service District: At a Glance

Discovery Bay was established in the early 1970's as a weekend and summer resort community. Today, Discovery Bay has evolved into a thriving year-round home for more than 13,000 residents who enjoy small-town living against the backdrop of over 1,200 miles of Delta waterways. Discovery Bay boasts a full-service marina, three (3) public schools, one (1) private school, as well as two (2) shopping centers and a planned business park. However, this small town is no longer limited to Delta waterfront homes; it has developed into a community that provides something for everyone. Discovery Bay offers gated waterfront homes as well as Country Club homes located on a world-class golf course designed by Mike Asmundson. There are two (2) gated communities; Lakeshore and The Lakes, as well as nearby Ravenswood, a community planned around a public park.

The approximately 9 square mile area known as the Town of Discovery Bay Community Services District (TODBCSD) was formed in 1997 following a vote of the people to form an Independent Special District with the purpose of providing essential public services to its residents. The Contra Costa County Local Agency Formation Commission (LAFCO) has authorized the TODBCSD the responsibility of providing the following special services to the residents of Discovery Bay:

- Water supply collection, treatment, and distribution
- Wastewater collection, treatment and distribution
- Parks and Landscape Maintenance
- Recreational Activities

District Form of Government

California's Independent Special Districts are legislatively authorized pursuant to California Government Code Sections 61000-61850. The Town of Discovery Bay Community Services District is governed by an elected five (5) member Board serving staggered four (4) year terms. The Board employs a General Manager to administer the day to day operations of the District.

Population

The 2015 census shows the total population in Discovery Bay to be 15,277 people.

Water Services

The Town of Discovery Bay CSD owns and maintains over sixty (60) miles of water mains in seven (7) residential developments: Discovery Bay West (Village 1, 2, 3 and 4, and Ravenswood); and two (2) of the older developments (Discovery Bay Proper and Centex). Currently, the District owns and operates six (6) water production wells that are located throughout the District and are capable of producing five million gallons of domestic water per day. The raw water is then treated in two (2) water treatment facilities with water storage capacity of 2.5 million gallons of treated water for customer distribution. The total water requirements of Discovery Bay are currently about 1,300 million gallons per year, which equates to an average daily demand of 3.6 million gallons per day.

Wastewater Services

The District provides wastewater collection, treatment and distribution services to approximately 5,800 homes and businesses located in the town. The wastewater treatment process goes through two (2) separate conveyance systems; Plant 1 and Plant 2. Wastewater Treatment Plant 1 is located just north of Highway 4, within the Discovery Bay Development area. Wastewater Treatment Plant 2 is located south of Highway 4 at the Town's eastern boundary. The two (2) plants are interconnected and are dependent upon each other for various functions.

In order to facilitate and transport the raw wastewater to the main wastewater treatment, the District utilizes 15 wastewater lift stations to move the waste through 50 miles of sewer mains. The plants are capable of producing an average of 1.8 million gallons of wastewater per day. The wastewater treatment plants currently include an influent pump station, influent screening, secondary treatment facilities using oxidation ditches, and ultraviolet (UV) disinfection prior to discharging the treated water into Old River.

The water and wastewater facilities are operated and maintained by Veolia Water N.A. under a multi-year agreement with the TODBCSD.

Parks and Landscaping Services

The District maintains all the public parks and publically owned landscaped areas in Discovery Bay. Every budget year, the Board of Directors establishes priorities to improve the landscape areas of Discovery Bay. The landscape areas in Discovery Bay are broken down into five (5) landscape zones. Two (2) of those zones are owned by the TODBCSD, with the remaining three (3) owned by Contra Costa County, and maintained under contract by the District. The five Landscaping & Lighting zones are:

Discovery Bay Landscape & Lighting Zone #8:

Zone 8 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Highway 4, Clipper Drive, Discovery Bay Boulevard, Willow Lake Road, and a variety of smaller landscaped areas. Cornell Park & Roberta Fuss Tot Lot are also included in this zone.

Discovery Bay Landscape & Lighting Zone #9 (Ravenswood):

Zone 9 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Wilde Drive and Poe Drive. Ravenswood Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #35:

Zone 35 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. The zone includes the landscaped median islands on Bixler Road at the intersection of Highway 4, and a pedestrian pathway from the Sandy Cove Shopping Center to Newport Drive. There are also included two pedestrian bridges along the path.

Contra Costa County Landscape & Lighting Zone #57:

Zone 57 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes all landscaped streetscape frontages in and outside of the Centex Development, along Highway 4, a portion of Bixler Road, and two (2) small parking areas. Regatta Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #61:

Zone 61 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes landscaped streetscape frontages along a major portion of Bixler Road, Point of Timber Road, the Park & Ride lot, a portion of Newport Drive, Preston Drive and Slifer Drive. Slifer Park is also included in this zone.

Recreation Services

The Town of Discovery Bay Community Services District is also responsible for providing recreational activities to the residents of the District. The Community Center opened its doors to the public on January 2, 2014. The Center offers a wide variety of programs for all ages and will continue to develop programming that will stimulate, educate and enrich the lives of people within Discovery Bay and that is complemented by a system of parks, recreation areas and other facilities aimed to encourage recreational and leisure time activities.

*The Town of Discovery Bay would like to propose two (2) new positions; a projects analyst and a Water Services Technician I. The project analyst would handle project specific duties as well as utility billing for the new metered customers. The Water Services Technician would be working with the new metered customers during the water meter roll out project and assist in maintaining the meter system for the new 3,800 utility customers.

*Town of Discovery Bay Community Services District
 Contra Costa County, California
 Salary & Wages*

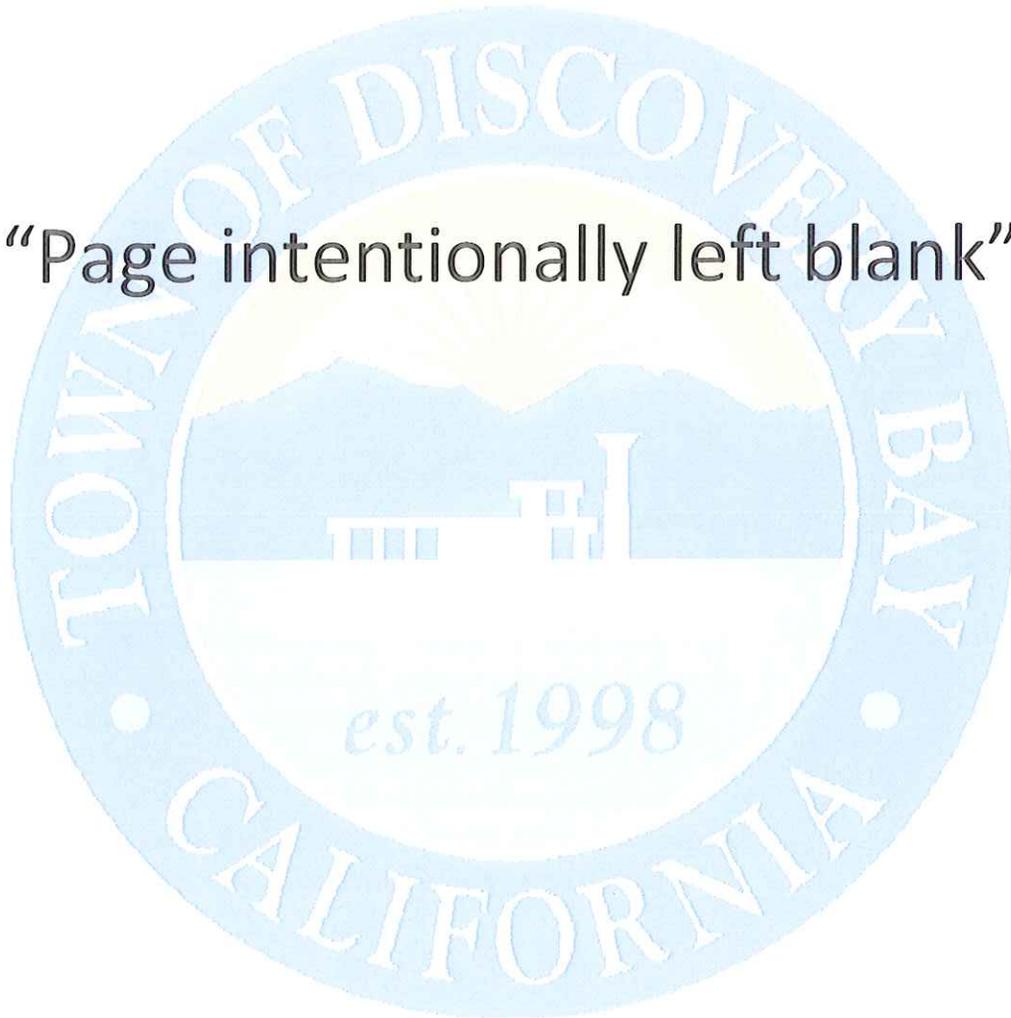

The Town of Discovery Bay lies within the metropolitan statistical areas of San Francisco/Oakland/San Jose. However, it is geographically closer to the farmlands of the central valley and the cities of Brentwood, Stockton and Tracy. The proximity to the employment centers of the Bay Area and those of the Central Valley determine the labor pool from which the District recruits its workers. In order to maintain a qualified and motivated workforce, it is necessary to provide a salary and compensation package that is commensurate within industry norms and within the financial means of the District.

 Revenues – “Where the money comes from”*

The following table identifies the various sources of revenue that can be anticipated during the course of the coming fiscal year. As is evident in the table, the primary sources of revenues are derived from Property Tax charges for water and wastewater usage, charges for commercial sewer and water and residential water service fees. The remaining revenue sources can be attributed to miscellaneous reimbursements, charges and fees.

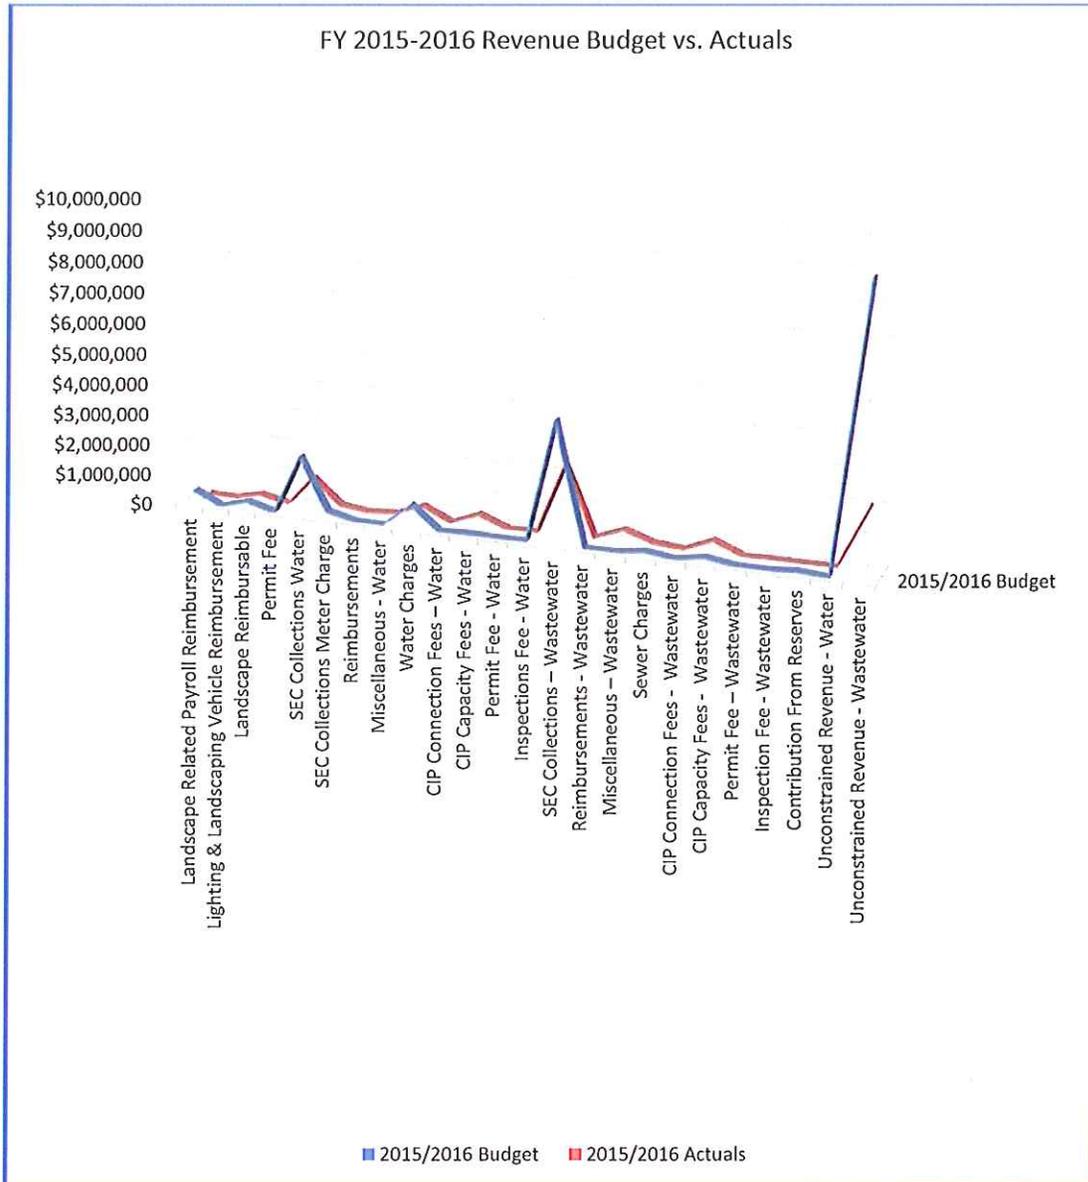

Of the approximately 5,000 residential and commercial properties in Discovery Bay, roughly 2,200 are billed for water use through meters. The remaining 2,800 properties are scheduled to receive water meters prior to the state mandated date of 2024.

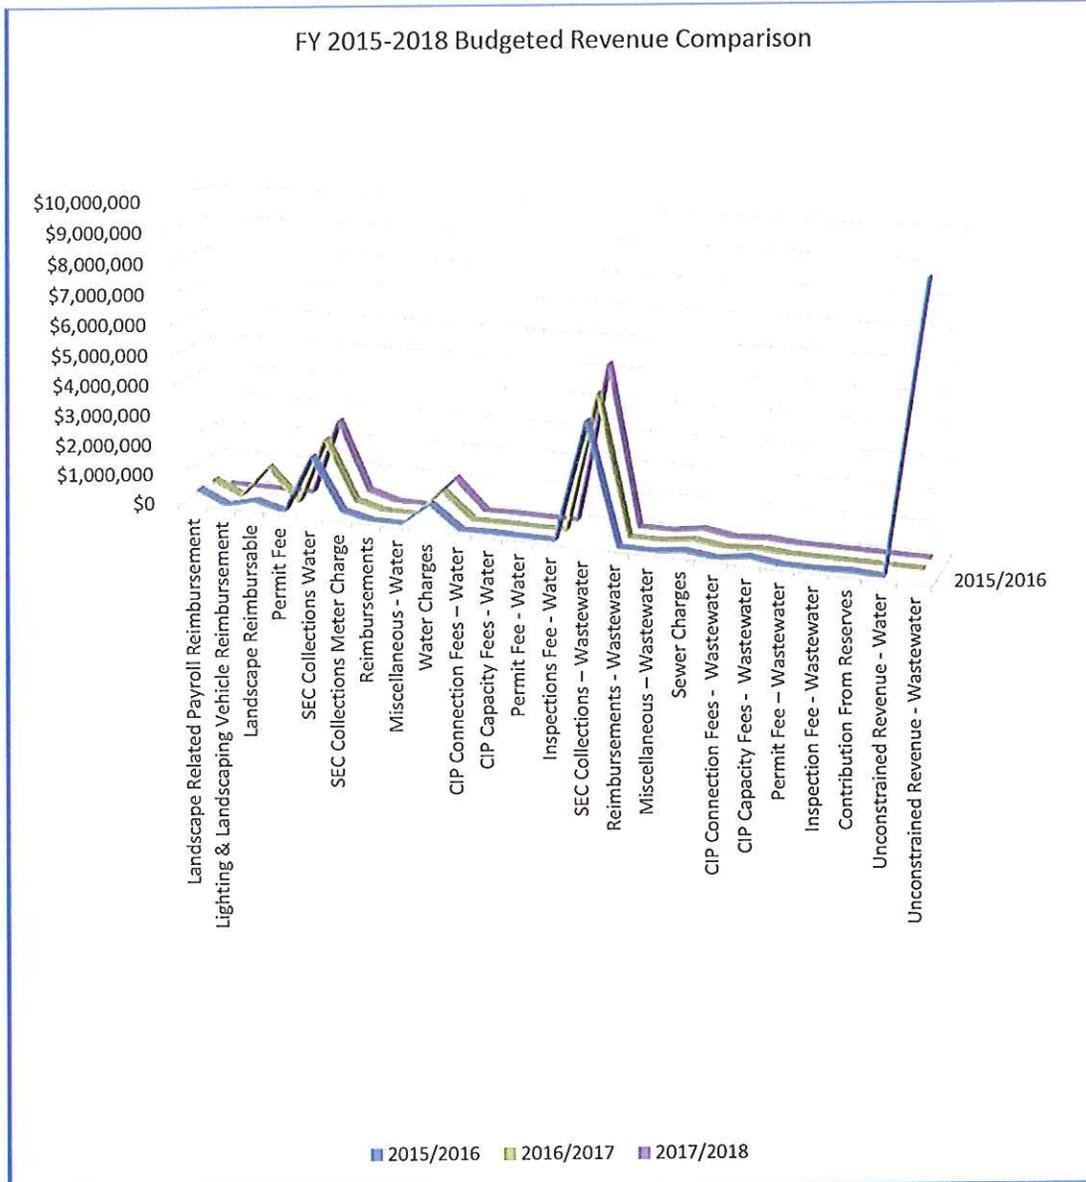

Revenue Projections				
Fiscal Year	2015/2016	2015/2016	2016/2017	2017/2018

- Unconstrained revenue in FY 15/16 \$7,070,740 for the filter project has yet to be funded.

FY 2015-2016 Revenue Budget vs. Actuals

*Town of Discovery Bay Community Services District
 Contra Costa County, California
 Operating & Capital Reserves*

The Town of Discovery Bay CSD (TODBCSD) has established a reserve fund for its long term organizational and operational stability and the reserve funds enable the TODBCSD to cover expenditures due to unforeseen and unexpected cash flow requirements. This reserve Fund ensures that the TODBCSD accumulates, manages, maintains and uses certain financial resources only for specified purposes. The following table identifies the various sources of reserves that can be anticipated during the course of the coming fiscal year.

Reserves	FY 15/16 Budget	FY 15/16 Actuals	FY 16/17 Budget	FY 17/18 Budget
Water & Wastewater Reserves	\$4,400,950	\$4,400,950	\$4,400,950	\$4,400,950
Sewer Infrastructure Replacement Fund	\$950,000	\$950,000	\$1,150,000	\$1,350,000
Pumps/Motors Replacement Fund	\$240,000	\$240,000	\$290,000	\$340,000
Water Infrastructure Replacement Fund	\$859,143	\$859,143	\$1,243,143	\$1,980,143
Generators Replacement Fund	\$75,000	\$75,000	\$100,000	\$125,000
Facilities & Vehicles Replacement Fund	\$252,204	\$252,204	\$302,204	\$352,204
Draw Down*				
Reserves Total	\$4,400,950	\$4,400,950	\$4,400,950	\$4,400,950
Infrastructure Replacement Total	\$2,376,347	\$2,376,347	\$3,085,347	\$4,147,347
Total Reserves	\$6,777,297	\$6,777,297	\$7,486,297	\$8,548,297

*Reserve Draw-Down Detail FY 15/16

Draw down will be finalized upon fiscal year end close.

 Contra Costa County, California
 Operations and Maintenance Budget*

The Operations and Maintenance Budget for the Fiscal Year 2015/2016 represents the day-to-day spending plan that meets the needs of the District and keeps it running smoothly and efficiently. The proposed plan was developed by forecasting actual historical expenses and known costs and integrating that data into a fiscal spending plan that best represents anticipated future expenditures.

For FY 2016/2017 the O&M budget remains essentially the same as FY 2015/2016. The Operations and Maintenance (O&M) program has a proposed spending plan of \$6,926,152 in FY 2016/2017 and \$6,860,064 in FY 2017/2018 for a total of \$13,786,216 over two years. This represents an increase of 10% over FY 2015/2016. Increases to the O&M program are evident in the Salary & Wages as well as Group Insurance, where an increase is needed as insurance costs continue to increase year over year. Consulting represents another area that is increased due to plant operations and capital improvement projects.

Water & Wastewater	FY 15/16 Budget	FY 15/16 Actuals as of April 2016	FY 16/17 Budget	FY 17/18 Budget

Capital Improvement Program Budget*

The Capital Improvement Program for Fiscal Year 2016/2017 is valued at \$11,687,740 and \$13,607,740 over the two year period FY 16/17-17/18. Fiscal Year 2016/2017 projects include funding necessary to properly service, maintain and support the basic functions of District operations; continued construction for the two (2) CIP Water & Wastewater Projects as well as \$30,000 for a new town vehicle and \$525,000 for Infrastructure replacement Funds.

The CIP is broken down into 7 distinct areas – Wastewater Capital Improvements; Wastewater Structures & Improvements; Water Capital Improvements; Water Structures & Improvements; Equipment; Building & Improvements; and Infrastructure Replacement. All of the projects that are included as a part of the CIP represent projects that continue to maintain existing infrastructure, as well as preparing to accommodate future development.

Wastewater– Capital Improvements and Structures & Replacements

For FY 2016/2017 the Wastewater CIP and Structures & Replacements represent 4 projects at a total combined cost of \$7,678,740; of which is \$7,070,740 is allocated to the construction work of the Wastewater Master plan which will be financed. \$608,000 is allocated to the approved CIP projects including, Lift Station Improvements, SCADA Improvements, Rehab of Manholes, Raising Manholes, and a Generator for Plant 1.

Water Capital Improvements and Structures & Replacements

For FY 2016/2017 The Water Wastewater CIP and Structures & Replacements includes 3 projects at total combined cost of \$3,270,000. The CIP projects include Water SCADA Improvements, Willow Lake WTP Stabilization- Soils and the Water Meter project.

Equipment: Capital

There are no planned equipment purchases listed for FY 2016/2017 at this time.

Vehicle: Capital

The district plans to purchase one new vehicle in FY 2016/2017 in the amount of \$30,000.

Building and Improvements

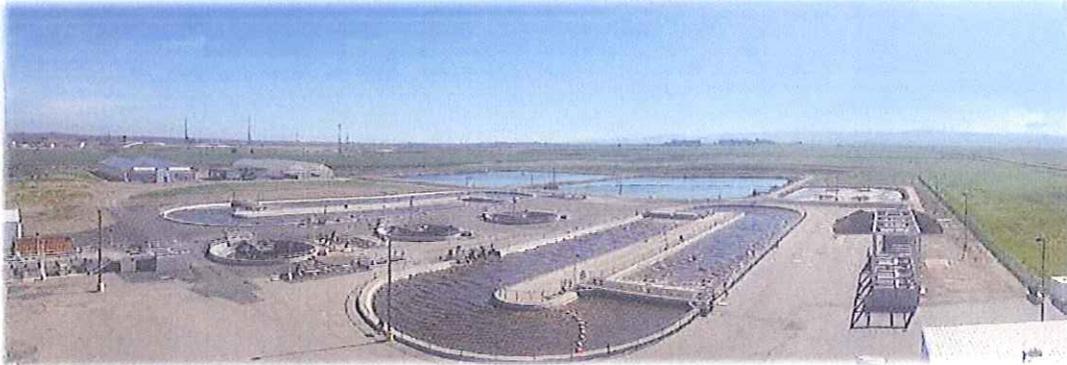

There are no planned building and improvement projects for FY 2016/2017 at this time.

Infrastructure Replacement Fund

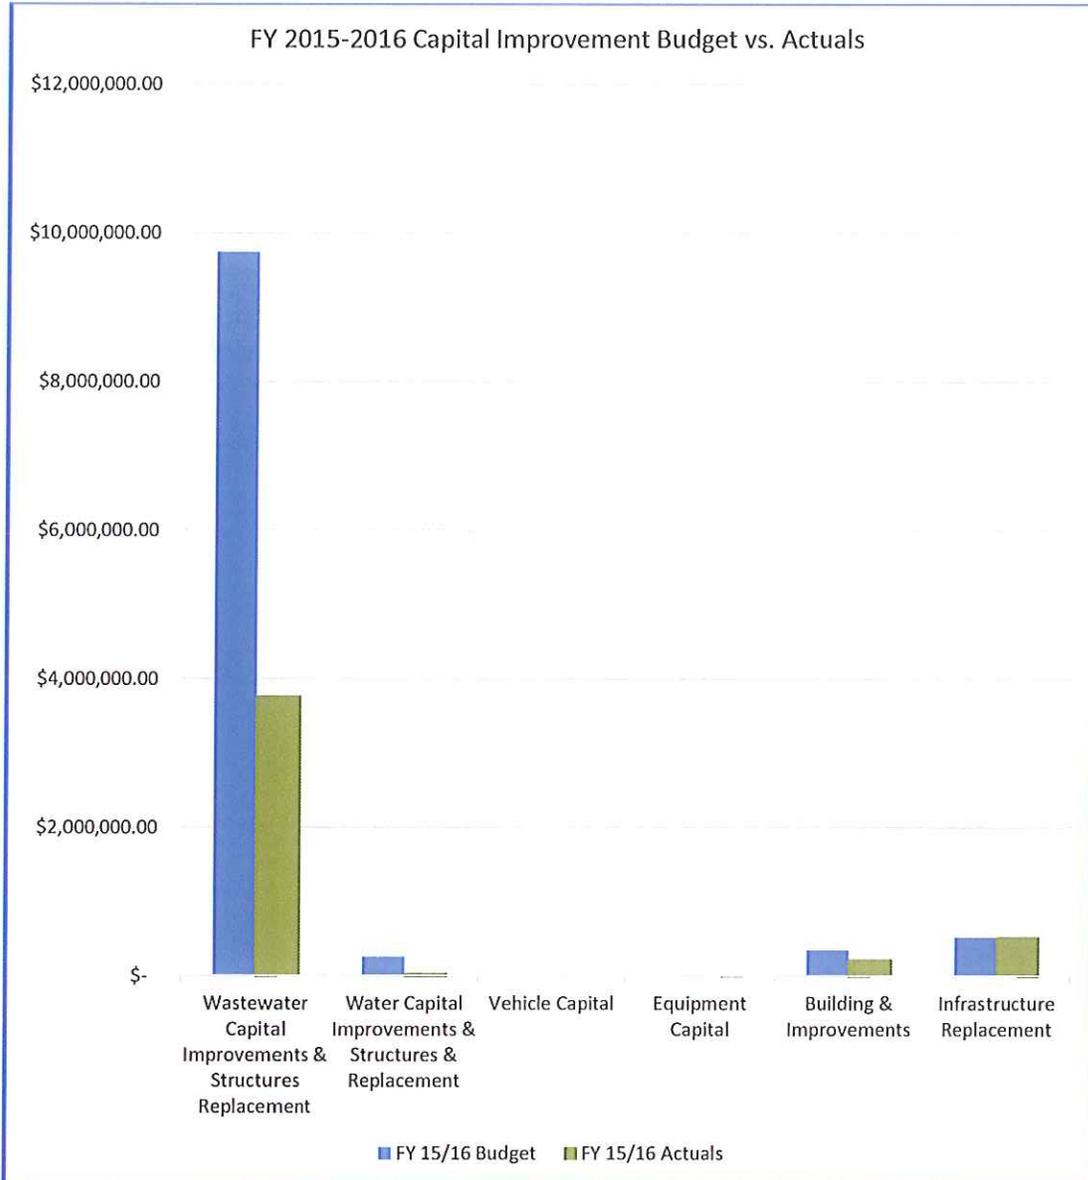

The addition of the Infrastructure Replacement Fund allocates \$709,000 in FY 2016/2017 for four distinct areas: Sewer Infrastructure; Pumps and Motors Replacement; Water Infrastructure; Generators and Facilities and Vehicles Replacement.

Capital Improvement	FY 15/16 Budget	FY 15/16 Actuals as of April 2016	FY 16/17 Budget	FY 17/18 Budget
Wastewater Capital Improvements & Structures Replacement	\$9,742,740	\$3,765,445	\$7,678,740	\$608,000
Water Capital Improvements & Structures Replacement	\$258,000	\$32,172	\$3,270,000	\$250,000
Vehicle Capital			\$30,000	
Equipment Capital	\$15,000	\$9,292		
Building & Improvements	\$350,000	\$216,975		
Infrastructure Replacement	\$525,000	\$525,000	\$709,000	\$1,062,000
Total Capital Improvements	\$10,890,740	\$4,548,884	\$11,687,740	\$1,920,000

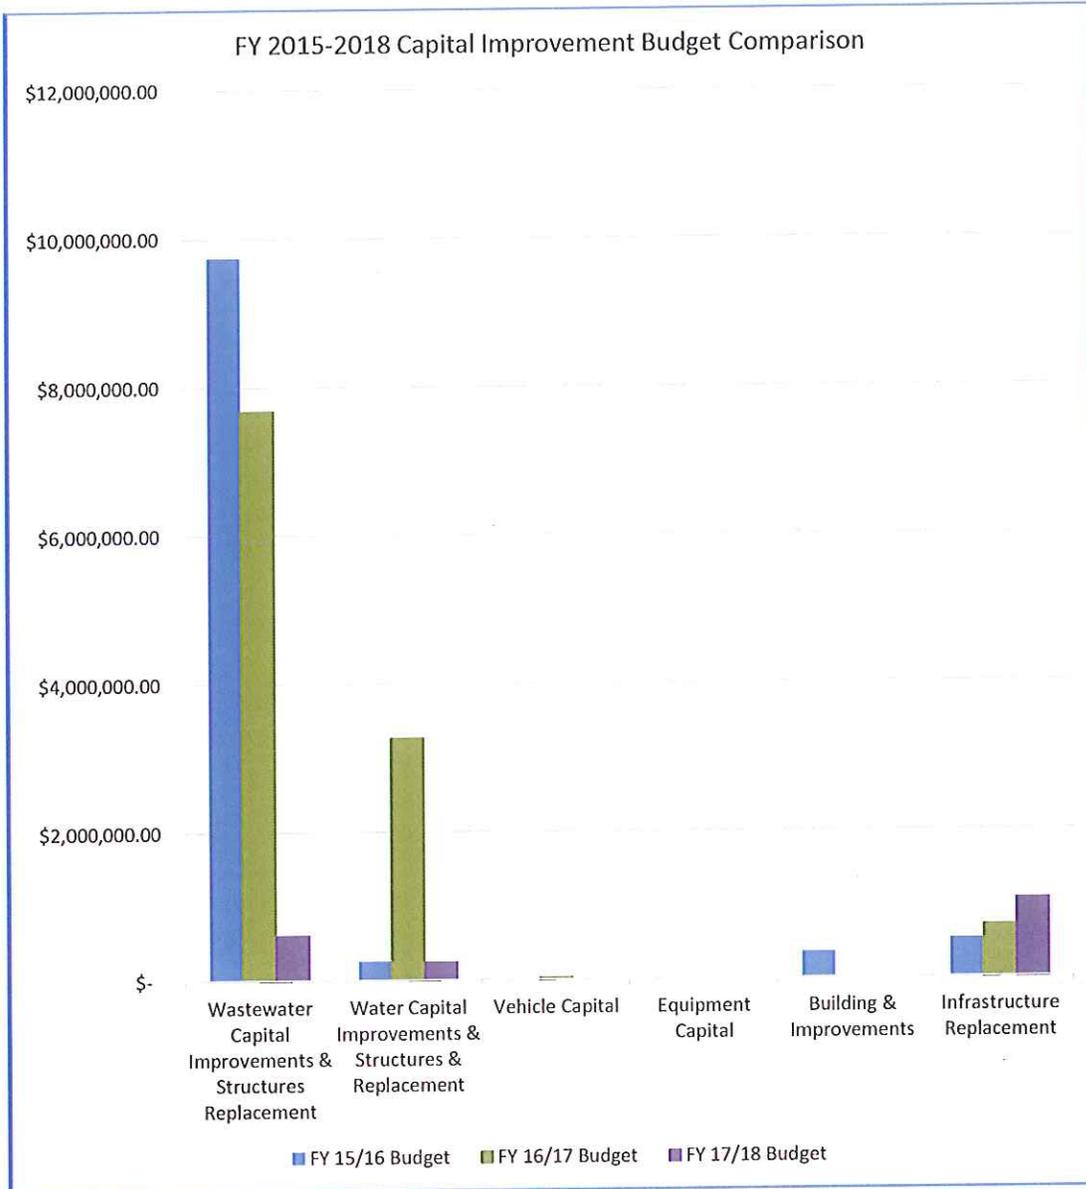

- Please see section of document "All in One Place" for list of Capital Improvement projects and 5 year spending plan.

Lighting and Landscape*

The District maintains all the public parks and publically owned landscaped areas in Discovery Bay. The landscape areas in Discovery Bay are broken down into five landscape zones. Two of those zones are owned by the Town of Discovery Bay CSD, with the remaining three owned by Contra Costa County, and maintained under contract by the District. The five Landscaping & Lighting zones are:

Discovery Bay Landscape & Lighting Zone #8:

Zone 8 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Highway 4, Clipper Drive, Discovery Bay Boulevard, Willow Lake Road, and a variety of smaller landscaped areas. Cornell Park & Roberta Fuss Tot Lot are also included in this zone.

Discovery Bay Landscape & Lighting Zone #9 (Ravenswood):

Zone 9 is owned and maintained by the Town of Discovery Bay CSD. This zone includes the landscape streetscape frontages along Wilde Drive and Poe Drive. Ravenswood Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #35:

Zone 35 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. The zone includes the landscaped median islands on Bixler Road at the intersection of Highway 4, and a pedestrian pathway from the Sandy Cove Shopping Center to Newport Drive. There are also included two pedestrian bridges along the path.

Contra Costa County Landscape & Lighting Zone #57:

Zone 57 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes all landscaped streetscape frontages in and outside of the Centex Development, along Highway 4, a portion of Bixler Road, and two small parking areas. Regatta Park is also included in this zone.

Contra Costa County Landscape & Lighting Zone #61:

Zone 61 is owned by Contra Costa County; but is maintained by Town Of Discovery Bay CSD. This zone includes landscaped streetscape frontages along a major portion of Bixler Road, Point of Timber Road, the Park & Ride lot, a portion of Newport Drive, Preston Drive and Slifer Drive. Slifer Park is also included in this zone.

Recreation & Community Center*

The Discovery Bay Recreation and Community Center was established to provide community based and age appropriate recreational programming. These activities will be the byproduct of the purchase of the Discovery Bay Community Center in FY 2012/2013. Recreational activities take place throughout town; and the Community Center is the central location for those activities.

The Town of Discovery Bay closed escrow on a 7.25 acre parcel for the Town's Community Center. The site was formerly the Discovery Bay Athletic Club, and is located at 1601 Discovery Bay Boulevard, across from the Discovery Bay Shopping Center. The site consists of a 5,025 sq.ft building, an 8 court tennis center, and a 110,000 gallon swimming pool. Additional amenities include lush landscaping as well as bbq and picnic areas. In Feb of 2013 the Town transitioned the prior athletic club operation into the Community Center and operated the facility through June 30, 2013 in that capacity. The Community Center Committee was formed to help identify programs, hours of operations of the different facilities, and budgetary considerations moving forward.

The proposed plan was developed by forecasting actual historical expenses and known costs and integrating that data into a fiscal spending plan that best represents anticipated future expenditures. For FY 2016/2017 the Operations and Maintenance (O&M) Program has a proposed spending plan of \$328,308. There are no planned CIP projects for FY 2016/2017 that will utilize the community center or Lighting and Landscaping Zone 8 revenues. The planned projects are PG&E funded. The source of the funds are from the PG&E dewatering project which brought in \$327,411 of unanticipated one-time revenues, a community center grant of \$5,000 and a benefit project of \$17,000 totaling \$349,411. Some of the potential uses for these funds will benefit the community center. The potential projects that the Parks & Landscaping manger has planned are;

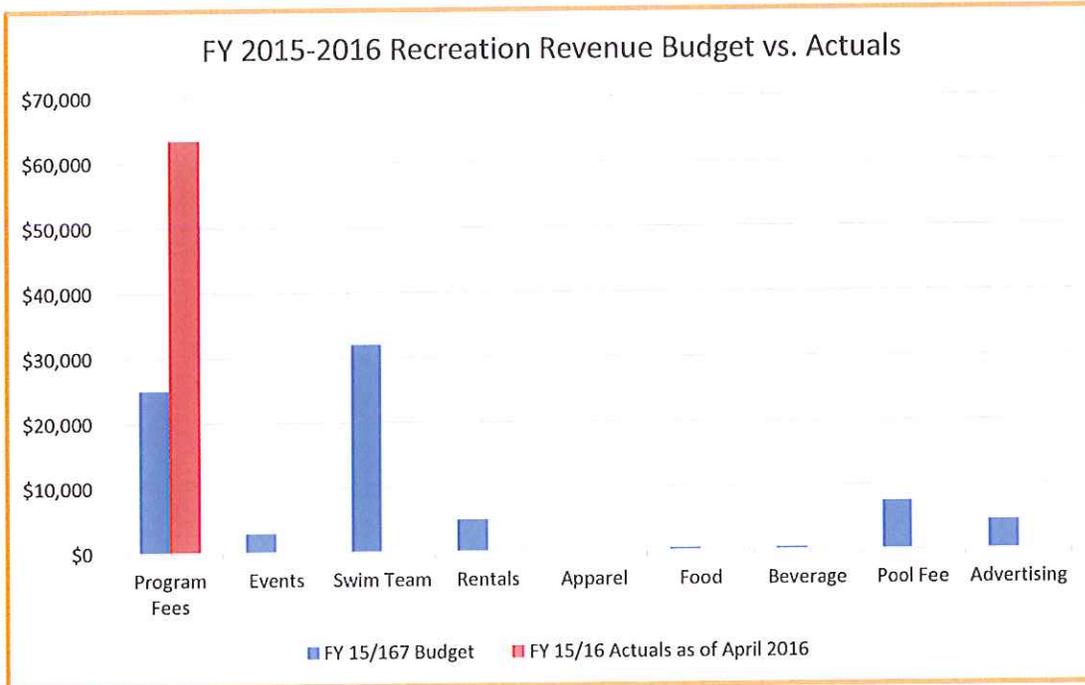

- R&R concrete trippers
- R&R pool equipment enclosure
- Pool side furnishings
- Repair south side access gate
- Resurface tennis courts 3&4 (possible pickle ball courts)
- Archery Equipment
- New community center roof
- Replace the play structure at the Roberta Fuss tot lot

These projects are subject to Board approval and will be prioritized according to safety compliance and maintenance.

Project #	Project Name	FY 16/17 Budget	FY 17/18 Budget	FY 18/19 Budget	FY 19/20 Budget	FY 20/21 Budget	5 year Total
5	Secondary Effluent Pump Station Modifications	\$ 262,599.00					\$ 262,599.00
7	Effluent Filtration	\$ 5,248,141.00					\$ 5,248,141.00
10	Upgrade UV Disinfection	\$ 1,440,000.00					\$ 1,440,000.00
12	Add Pump to Export Pump Station	\$ 120,000.00					\$ 120,000.00
CMB 5,7,10,12	FILTER PROJECT	\$ 7,070,740.00					\$ 7,070,740.00
15	Annual Lift Station Improvements	\$ 330,000.00	\$ 350,000.00	\$ 350,000.00	\$ 350,000.00	\$ 350,000.00	\$ 1,730,000.00
16	Annual SCADA Improvements	\$ 50,000.00	\$ 20,000.00	\$ 20,000.00	\$ 20,000.00	\$ 20,000.00	\$ 130,000.00
20	Vehicle Purchases	\$ 30,000.00					\$ 30,000.00
40	Annual Rehab Manholes	\$ 18,000.00	\$ 18,000.00	\$ 18,000.00	\$ 20,000.00		\$ 74,000.00
41	Annual Raise Manholes	\$ 10,000.00	\$ 10,000.00	\$ 10,000.00	\$ 10,000.00		\$ 40,000.00
52	Well 8				\$ 198,000.00	\$ 1,936,000.00	\$ 2,134,000.00
54	Treatment Filter Unit at Willow Lk WTP, media etc.						\$ -
55	New Backwash Tank at Willow Lk WTP piping mod & fd						\$ -
56	New Recycle Pumps at willow Lk WTP 3 pumps, pip...						\$ -
57	Recycle Pump Upgrade- Newport						\$ -
60	Replace 8-in mainline w/new 16in C905- willow lk						\$ -
61	New Water Storage Tank- Newport WTP						\$ -
71	Upgrade Ox Ditch 1						\$ -
73	Vehicle Storage Facility						\$ -
75	District Offices						\$ -
83	Valve Replacement Project						\$ -
85	Sandblast & Epoxy Clarifier #1 WWTP#1						\$ -
87	Denitrifying Project				\$ 450,000.00	\$ 7,600,000.00	\$ 8,050,000.00
101	Plant 1 Headwork cleaning, repairs & coating						\$ -
104	Street coating of plant 1 and portion of Channel Rd						\$ -
105	Storm Drain repairs at Newport WTP						\$ -
108	Water SCADA Improvements	\$ 250,000.00	\$ 250,000.00				\$ 500,000.00
109	Replace Lagoon Dredge		\$ 110,000.00				\$ 110,000.00
110	Plant 1 Upgrades						\$ -
111	Willow Lake WTP Stabilization-soils	\$ 20,000.00					\$ 20,000.00
112	Clarifier Rehabilitation		\$ 100,000.00	\$ 100,000.00			\$ 200,000.00
113	CCTV Van- televise the sewer lines				\$ 250,000.00		\$ 250,000.00
114	Step Screen - Headworks				\$ 200,000.00		\$ 200,000.00
115	Water Meter Project	\$ 3,000,000.00					\$ 3,000,000.00
116	Generator for Plant 1	\$ 200,000.00					\$ 200,000.00
	Total	\$ 11,687,740	\$ 1,920,000	\$ 2,055,000	\$ 3,718,000	\$ 12,987,000	\$ 32,367,740
