PARKS UPDATE

Prior to July of 2016, the Town of Discovery Bay Parks and Landscaping staff operated from four different locations. Large Park maintenance equipment was housed between Plant #1 off of highway 4 and a rented public storage unit off of Newport. Work trucks and trailers were housed at the Town Administrative Offices on Willow Lake Road and various work gear is housed at the Discovery Bay Community Center.

In a recently completed lease agreement between the East Contra Costa County Fire District and the Town of Discovery Bay, the Town Parks and Landscaping staff has now consolidated into one location at the Fire Station, 1535 Discovery Bay Blvd. "What used to take more than an hour at the beginning and end of each day gathering up and returning equipment from the four various locations, now only takes a few minutes", says Brian Miller, Parks Manager. "We are much more productive in meeting the needs of our residents by starting and ending each day in the same location!"

The Board and staff of the Town of Discovery Bay Community Services District continually strives to provide effective and fiscally responsible municipal services – the results benefiting the quality of life for both residents and staff alike!

(Additional information regarding the lease agreement between the Town of Discovery Bay and the East Contra Costa County Fire District may be obtained by visiting the Town's website at www.todb.ca.gov)
