REGISTRATION INFORMATION

FAQ's

When should I register for classes?

Please register at least one week prior to the class start date. Each class has minimum and maximum enrollment requirements to cover the cost of the program.

How do I register for a class?

There are four (4) ways to register.

Mail-In

Town of Discovery Bay
1800 Willow Lake Road
Discovery Bay, CA 94505

Online

at www.todb.ca.gov

Call-in

(925) 392-4575

Walk-in

1601 Discovery Bay Blvd.
Monday-Friday, 8:00AM-5:30PM

What if I need special accommodations?

If you require special accommodations please specify on the registration form and contact the Community Center directly.

What if I need to bring something special?

Special required items will be listed in the class or program descriptions. For any additional questions, please feel free to contact the Community Center during regular business hours.

What if a class or program is cancelled?

Customer requested refunds/transfers no later than 3 business days prior to the first day of class. No refunds after first class. No refunds or make-ups for missed days. A processing fee of \$7 will be charged for all cancellations after a registration has been processed. If minimum class size is not met by the Wednesday prior to the start of class, the class may be cancelled. In the event that the District cancels a class, you will receive a full refund. Outdoor classes are cancelled in the event of lightning.

Community Yard Sale

Are you looking for an opportunity to clear out some of your old stuff before the start of summer? Here's your chance to not only clear out your garage and closets, but help support your local Community Center. The Town of Discovery Bay will be hosting an inaugural Community Yard sale with proceeds to benefit recreation activities, programs, and park projects.

For more information please visit our website at www.todb.ca.gov or call the Community Center at (925) 392-4575.

YOUTH PROGRAMS

KIDZ LOVE SOCCER

Since 1979, Kidz Love Soccer has been dedicated to teaching children the world's most popular sport within a nurturing, recreational environment. A typical session experience includes age appropriate activities: skill demonstrations, fun games, and instructional scrimmages. Young soccer enthusiasts experience soccer fun in a safe, non-competitive environment. Kidz Love Soccer... "Where the score is always FUN to FUN!"

Mommy/Daddy & Me Soccer

(2-3 ½ yrs.)

Introduce your toddler to the "World's Most Popular Game"! As you and your child participate in our fun age appropriate activities, your child will be developing their large motor skills and socialization skills. The fun happens on the field, and in Mommy/Daddy & Me Soccer, parents are part of the action, not watching from the sidelines! All kids will receive a Kidz Love Soccer jersey! FEE: \$89

LOCATION: Discovery Bay Community Center

INSTRUCTOR: Kidz Love Soccer Coaches

CLASS#	DAY	TIME	DATE
80007	M	5:15-5:45PM	1/25-3/21*
90000	M	5:15-5:45PM	4/18-6/13*

*No classes on 2/15 & 5/23

Tot/Pre Soccer

(3 ½ - 5 yrs.)

Teaches the basic techniques of the game and builds self-esteem through participation and fun soccer activities. Children learn to follow instructions in a nurturing, age appropriate environment. Shin guards are required after the first meeting. All participants will receive a Kidz Love Soccer jersey!

FEE: \$89

LOCATION: Discovery Bay Community Center

INSTRUCTOR: Kidz Love Soccer Coaches

CLASS#	DAY	TIME	DATE
80009	M	4:35-5:10PM	1/25-3/21*
90001	M	4:35-5:10PM	4/18-6/13*

*No classes on 2/15 & 5/23

Kidz Love Soccer Weather Watch

In case of rain-outs please call the KLS field hot line at 1-888-372-5803 half hour prior to your class time or download the free KLS App. For iPhone/Android to receive notifications on cancellations. All rain outs will be made up at regular class time during the weeks following the session. No credits will be issued if make-ups are offered. If we are unable to schedule a make-up, prorated refunds will be issued.

Soccer 1: Techniques & Teamwork

(5-6 yrs.)

Player's will learn dribbling, passing, receiving, shooting, defense, etc. Fun skill games are played at every session, and every participant will have a ball at his or her feet. Small-sided soccer matches will be introduced gradually, Shin guards are required after the first meeting. All participants will receive a Kidz Love Soccer jersey!

FEE: \$89

LOCATION: Discovery Bay Community Center

INSTRUCTOR: Kidz Love Soccer Coaches

CLASS#	DAY	TIME	DATE
80011	M	3:50-4:35PM	1/25-3/21*
90002	M	3:50-4:35PM	4/18-6/13*

*No classes on 2/15 & 5/23

Biddy Sports T-Ball

(3-5 yrs.)

Biddy Sports is like no other program around and one of the most popular! Your child will learn the fundamentals of T-ball, develop social skills in a fun safe, and family-oriented environment and be introduced to team sports. The class provides non-competitive T-ball where children can participate at their own level and ability without keeping score.

During the one-hour on Saturday mornings, children participate in a fun group warm-up, practice with their team, and play a game! Parents get involved by volunteering to coach their child's team; all training provided, no experience required. Please volunteer when you register your child. Coaches training 4/17, 6-7:30pm. Biddy Sports is a successful non-competitive preschool sports program having fun in East Contra Costa County since 1993. Join us! www.biddysports.com Learn.Play.Fun. Registration deadline, Wednesday, April 13 or when full.

FEE: \$70

LOCATION: Cornell Park Soccer Field

INSTRUCTOR: Biddy Sports Staff

Contra Costa Crisis Center

Call 211 ~ Help starts here. A fast, free, and confidential service that can help with emergency food, rental assistance, healthcare, housing/shelter, senior services, utility assistance, job services, transportation and much, much more.

PARKS UPDATE

Keeping our Parks in the Town of Discovery Bay well maintained and safe for our many residents, takes a dedicated and professional staff of people working behind the scenes throughout the week to get the job done. Regular and ongoing work includes turf maintenance such as mowing, edging, and weeding, maintenance of park amenities such as play equipment, benches, shade structures, maintaining the Town's various sports fields and sports courts, along with the never ending task of keeping our Parks clean.

Although California is in the midst of an unprecedented drought, there is still a lot of irrigation equipment that has to be maintained. Meet Marcos Hernandez, our newly hired Irrigation Specialist. Marcos is in charge of 50 irrigation timers, and just over 700 sprinkler systems, which includes miles of pipe and wire. He is responsible for replacing, adjusting and testing over 7000 sprinkler heads. Marcos also monitors "WeatherTrak", the Town's central computer system that controls four of the Town's major Parks. In his spare time he helps the Maintenance crew around Town.

**Parks
Make
Life
Better!**

The Tot lot located on Clipper Drive was recently power-washed and upgraded with new bark in the play area and planters, and a fresh coat of paint on the sign.

CLASS / PROGRAM REGISTRATION FORM

REGISTRANT INFORMATION:

First Name: _____ Last Name: _____

Address: _____

City: _____ Zip: _____ Phone: _____

Email: _____

Would you like updates on new classes and events at the Community Center? YES___ NO___

EMERGENCY or PARENT/GUARDIAN INFORMATION:

Name: _____ Phone: _____

Program Name	Class #	Age or DOB	Gender	Program Fee

REFUND POLICY: *Customer requested refunds/transfers **NO LATER THAN 3 BUSINESS DAYS PRIOR TO THE FIRST DAY OF CLASS. NO REFUNDS AFTER FIRST CLASS.** No refunds or make-ups for missed day. A processing fee of \$7 will be charged for all cancellations after a registration has been processed. If minimum class size is not met by Wednesday prior to the start of class, the class may be canceled. In the event that the District cancels a class, you will receive a full refund. Outdoor class are canceled in the event of lighting.*

ASSUMPTION OF RISK, RELEASE, HOLD HARMLESS AND CONSENT TO MEDICAL TREATMENT AND PHOTOS:
On behalf of myself and/or any minor child named above, I acknowledge that I am (minor is) in good physical condition to participate in the activity but that accidents and injuries can arise from such participation. Knowing these risks and in consideration of acceptance of my application, I voluntarily desire to participate (have minors participate) in this activity and assume all risks and waive and release Town and its officers, employees and agents from any claims or liability for personal injury (including death) or property damage arising from or connected with participation in the activity, even if the liability may arise out the negligence or carelessness of the District or its officers, employees and agents. I further agree to hold harmless, indemnify and defend the District and its officers, employees and agents, who through negligence or carelessness might otherwise be liable to me (or my heirs or assigns). In the event of injury or illness, I consent to and agree to be responsible for transportation to a medical facility and whatever examination, procedure or treatment considered necessary by the medical personnel. This assumption of risk, release and hold harmless is binding on my heirs, dependents, executors, administrators, and assigns. I agree to abide by any rules and regulations for the activity. I give consent to the Town of Discovery Bay Community Services District to photograph or video the participation for any legitimate purpose by the District or the sponsors of an activity.

Town of Discovery Bay Community Services District Newsletter • Vol. 5
WINTER/SPRING 2016

DROUGHT EFFORTS CONTINUE

The Town of Discovery Bay would like to thank residents for doing their part in helping conserve water during the current drought.

The Town is happy to report that since the reporting period began on June 1st, water use has gone down by 37% (through November 30), and for the months of June and July, we even exceeded 40%! The reporting period continues through February 2016 and you are encouraged to continue to do your best in

order that we continue to meet our 32% conservation requirement.

As the state continues to be engulfed in the historic 4 year drought that is gripping the western United States, and as a strong El Niño weather event continues to take shape, we can't let our guard down just yet. While we're all hopeful that a wet winter materializes, and all indications indicate that this is the case, the National Oceanographic Atmospheric Administration (NOAA) notes that one wet winter will not erase 4 years of serious drought.

The Town encourages you to continue to conserve and to make every drop count.

For more information on the drought and water restrictions in Discovery Bay, please visit our website at www.todb.ca.gov and click on the Drought link.

Water Meters and Automated Reader Systems

Beginning in 2016, homes in Discovery Bay that are not currently metered will be getting meters and automated reader systems. Once the program rolls out,

the meters will be installed over the course of 18 months. The new system allows for volumetric pricing - in other words, you will pay for what you use. This new system will allow you to monitor water use on any computer or mobile device, from anywhere in the world. It is expected that the program will begin in late spring 2016. Watch for upcoming community forums and check the Town's website for more information.

Major Capital Projects Completed

The Town recently completed a series of water and wastewater projects totaling more than \$14M. The projects were initiated as a part of a long range master planning process that was completed in 2012. All of the projects are intended to provide long term operational sustainability and system dependability.

Well 7, located on Newport Drive at Capstan Pl., was recently completed and placed into service. The new well, constructed at a cost of \$1.6 M, provides long term reliability to the Town's drinking water system. Well 7 produces in excess of 2,000 gallons per minute when

New Town Website Unveiled

The Town of Discovery Bay recently updated its web presence with a new, completely revamped website. The new site is user friendly, is populated with information pertinent to the Town's functions, provides contact information for other local public agencies and utilities, and includes a history of the Delta and a photographic slide show of life in Discovery Bay. Whether you are on a desktop or mobile device, please visit us at www.todb.ca.gov.

New Homes coming to Discovery Bay

Contra Costa County recently approved two new development projects that will be coming to

Discovery Bay. Both are expected to break ground in 2017.

Newport Pointe will be constructing 67 single family homes along the east side of Newport Drive, at the intersection of Newport Lane. The single family "step-down" homes are aimed at empty-nesters who still want the flexibility of having a

home that is able to accommodate their family while providing the convenience of a smaller floor plan.

Pantages at Discovery Bay is a 292 unit single family home subdivision that will be located at the end of Point of Timber Road, and adjacent to Indian Slough. A number of the homes will be water front on newly created bays with deep water access. Many of the homes will be custom, along with a number of production models to choose from in a variety of floorplans. Included in the development plans is a new Marine Patrol Station for the Sheriff's Marine Patrol Unit, acres of open space, walking trails, and other public amenities.

Dock Address Signs

If you didn't take advantage of the Dock Sign Program the first time around, here's your chance to put your address on your dock with a nice new sign that shows guests, and more importantly, first responders where you live. This provides immediate identification for police and or fire personnel who might respond by water. Knowing the right address could be a life saver. The signs are \$50 each, and further information can be found on the Town's website at www.todb.ca.gov and click on the News and Announcements link!

1234 Lakeview Ct

Leash Free Park Opens for Business!

Now that the Town has opened its first ever leash free dog park, there's no need to take your pets to other locations where leashes are required and unwanted interactions can take place. Located at the Community Center, the park is comfortable and has over an acre of land for your furry friends to run, play and socialize. Park hours vary seasonally, so check with the Community Center for the schedule of times and days.

Park Upgrades Coming Soon!

The Town will be making a number of upgrades to Regatta and Slifer Parks in the coming months.

At Regatta Park, watch for a new baseball backstop, infield, and fencing; 5 new picnic tables; and new trash receptacles.

Slifer Park is slated to receive 3 new shade structures; solar lights;

8 new park benches, 9 picnic tables, pet waste stations and a new drinking fountain. In addition, regulation soccer nets are also scheduled for delivery.

Continued from pg. 1 (Major Capital Projects)

operating. The Town maintains a series of 6 wells that produce over 150 million gallons each month during the peak summer season.

A \$12.6M upgrade to the wastewater treatment plant along Highway 4 was also recently completed. The project, or series of projects, was aimed at improving the overall efficiency of the plant, along with ensuring redundancy features to ensure operational dependability. The need to safeguard operational reliability is critical in a facility that operates 24/7/365. The projects consisted of the addition of two additional solar dryers and presses for sludge removal, a third oxidation ditch and a 5th clarifier. Additionally, upgrades included the rehabilitation of Lift Station "F", located at the corner of Willow Lake and River Lake Roads, the restoration of Lift Station "W", and other smaller system improvements and enhancements.

Employee Spotlight:

Welcome Brian Miller

This past June, Brian Miller was hired to be the Parks and Landscape Manager for the Town of Discovery Bay. While Brian comes to us from Saint Mary's College where he performed similar work, he's a long time Discovery Bay resident who brings almost 40 years of landscape knowledge and experience to his new position.

In 2014 The Town transitioned from contract landscape maintenance staff to in-house staffing and Brian and his crew of four landscape employees have begun a systematic evaluation and implementation of a more efficient landscape maintenance schedule. In spite of the drought that wreaked havoc on turf and landscape areas this summer, results are already beginning to show.

Brian and his crew care for five parks, the Community Center, over ten miles of streetscapes and a number of roadway medians. If you need to contact Brian or to report something, please contact him at 634-1733.

Did you know?

- Much more fresh water is stored under the ground in aquifers than on the earth's surface
- The Town treats around 1.3 million gallons of sewage every day at our two wastewater treatment plants
