

Town of Discovery Bay

"A Community Services District"

AGENDA REPORT

Meeting Date

November 16, 2016

Prepared By: Kelly Rajala, Administrative Assistant
Submitted By: Catherine Kutsuris, Interim General Manager

Agenda Title:

Consider options to the continued use of the portable sign trailer

Recommended Action:

Consider options to the continued use of the portable sign trailer including whether the District should invest in a permanent informational sign for the community.

Executive Summary:

The Town owns a portable, changeable message board which was purchased in 2012 for the primary purpose of warning residents about water issues as well as for the safety of Town staff working in the community. At the time it was approved, it was also recognized as a possible means to inform the residents about upcoming events.

The message trailer has seen an increase in use in the past several months brought on in large part by its' use by the County to inform residents about the algae bloom as well as to highlight the concerns regarding speeding in the Town. These, coupled with other community events, leave the perspective that the "trailer" sign is in constant use.

There is no Board policy addressing the use of the sign by other public agencies or to handle requests from the public or from not-for-profit and/or public service organizations. This should be addressed to ensure clear guidance for staff when responding to requests.

The Board may also wish to consider whether the purchase and installation of a permanent message sign is warranted. The cost is estimated at approximately \$20,000.

- A five foot by eight foot single sided full color LED Display Message Board - \$12,500
- Tax and Shipping - \$2150.00
- Installation - \$4900

Staff requests Board input and whether there is interest in pursuing a permanent message sign for the community. If so, this matter will be further evaluated and brought back to the Board along with potential locations.

Fiscal Impact:

------------------------	--

Horizontal Lamp Illumination with Electronic Ballast(s) LED Communication Method: Short-range Wireless; connectivity requires line-of-sight between sign antenna and wireless device antenna mounted on building by customer. Maximum distance of 1,500 feet* between antennas.	One 20 Amp Circuit, 120 Volts; Max Draw: 9.25 Amps DayStar Controller and DayStar Media Software Included
--	--

Structural Details	
--------------------	--

Mount Style: Dual Leg Mount	Cowling (Creates Pedestal Appearance)
Mount Size:	Leg Height: 3 Ft 6 In
Leg Width: 2 Ft 8 In	Overall Sign Height: 8 Ft 6 In
Minimum Wind Load Rating: 120mph, Exposure B	

Miscellaneous Items	
---------------------	--

***** Review Custom Artwork for Text, Graphic and Layout Details *****

Draft: White	Header Copy: White
--------------	--------------------

Special Instructions:
 The quote assumes the client will self-install the sign with instruction from Stewart Signs.

The client should contact their local zoning department for any required approvals or permits.

Freight is estimated at \$1,115.00.

A monochrome - all red - LED sign would be \$11,560.00. When the Fall Incentive savings are applied, the cost of the monochrome sign is reduced to \$10,910.00.

*Shipping, installation and taxes are not included in the Special Fall Incentives. Other restrictions may apply.

Investment:	\$13,173.00
Special Price:	\$12,523.57
Unless otherwise noted in Special Instructions, these prices are valid for 60 days. Freight, storage, other freight services and applicable sales tax will be added to your invoice. Organizations exempt from sales tax must include exempt certificate with order.	
Shipping Terms: F.O.B. Origin Payment Terms: 50% Down, Balance due 10 days after shipment

Stewart Signs
America's Premier Sign Company
Limited Product Warranty ("Limited Warranty")

Definition of Warranty Coverage:

- 1) EBSCO Sign Group, LLC, dba Stewart Signs (the "Company") expressly warrants to the original purchaser ("You" or "Buyer" or "Owner" or "Customer") that, for a period of five (5) years from the date of shipment (the "Warranty Period"), the electronic displays and the associated Company products (the "Product") will be reasonably free of material defects in materials and workmanship impacting Product fit, form and/or function. During the Warranty Period, the Company will, at its discretion, repair or replace any defective covered Product. The Owner will be responsible for removing and reinstalling any and all repaired or replacement parts. This limited warranty only applies to the Company's Product if installed, used, and maintained in the manner recommended by Company, and this Limited Warranty is conditioned upon compliance with all such instructions. Lifetime telephone support for the Product is provided, as needed.
- 2) In the event the Product is damaged during shipping, it is the responsibility of the Buyer to refuse delivery, causing the Product to be returned to the manufacturer for repair. Title to the Product passes to the Buyer upon our delivery to the freight carrier. The Company assumes no liability for damage caused by careless handling or poor installation except for work completed by employees of the Company. Loss or damage to the Product when in possession of the freight carrier is the responsibility of the Customer, and the freight carrier is not covered by this Limited Warranty.
- 3) Any information or suggestion by the Company with respect to the Product concerning applications, specifications or compliance with zoning, codes and standards is provided solely for your convenience and without any representation as to accuracy or suitability. You must verify and test the suitability of any information with respect to the Product for your specific application.
- 4) Sign Structure and Sign Face: In the event the sign structure or identification/changeable copy portion of the sign malfunctions under normal use and service thereof DURING THE LIFE OF THE SIGN due to material defects in workmanship or materials, the Company will, at its option, repair or replace any defective materials.
- 5) Vandalism to Sign Faces: This Limited Warranty covers polycarbonate faces against breakage due to vandalism DURING THE LIFE OF THE SIGN. Warranty protection does not extend to these surfaces if damaged by gunshots, or when damaged coincident with the damage to the sign cabinet.
- 6) Failed electronic parts or assemblies, with the exception of lamps and ballasts, will be repaired or replaced, at the sole discretion of the Company. Owner bears the expense and responsibility of shipping Product to Company's Repair Center. Replacement or repaired parts are warranted to be free from material defects in material or workmanship for ninety (90) days or, for the remainder of the Warranty Period of the Product they are replacing or in which they are installed, whichever is longer.
- 7) The Company will repair failed LED pixels, if greater than one half of one percent (0.5%) of the total number of pixels in the sign have failed in one (1) calendar year, provided the sign is installed with the recommended ventilation system for its location. The definition of pixel failure is when all LED's in the pixel will no longer emit light. Pixel repair is performed at the Company Repair Center. It is common knowledge within the sign industry that all LEDs degrade and produce less light as they age. Eventually the LEDs will require replacement even though the LEDs will still emit light. This Limited Warranty does not cover normal LED degradation.
- 8) **Customer Obligations:**
Failure by the Customer to properly maintain the Product, including but not limited to filters and the ventilation/air conditioning systems, will void coverage for affected components. The Customer shall notify the Company immediately of equipment failure and allow the Company full and free access to the Product when required. Waiver of liability or other restriction shall not be imposed as a site access requirement. The Customer is responsible for all costs and management oversight associated with providing the Company access to the Product, providing the necessary machines, communication facilities and other equipment, inclusive of but not limited to lifting equipment. Should on-site repair be required, Customer is required to have a responsible individual on-site to provide access to the Product as well as sign-off on a completed work order.
- 9) **Exclusions and Restrictions:**
The Company reserves the right to restrict service, limit replacement parts or invalidate this Limited Warranty to Customers whose account balance is past due. This Limited Warranty specifically excludes any on-site labor required to service the covered Product including diagnosis, removal and installation of parts or products. Any on-site service required by the Customer of Company technicians or a local authorized service provider is billable to the Customer based on an agreed upon written quote.
This Limited Warranty does not apply to software. Software is covered by a separate agreement, which appears in the Company's software license agreement.
- 10) This Limited Warranty specifically does not cover the following:
 - a) Third-party communications devices such as wireless devices and modems, which are covered by a separate electronic communication warranty.
 - b) Damage to Product that has been moved from its original installation location or is mounted in a mobile structure.
 - c) Cosmetic damage to the Product (including but not limited to scratches and dents that do not otherwise affect the fit, form or functionality of the Product or materially impair its use).
 - d) Temperature sensors will register variable results, given local environmental factors such as direct sunlight, distance from concrete or asphalt, etc.; results are not guaranteed or covered under this Limited Warranty.
 - e) Recovery or transfer of any data or software stored on the Product not originally installed on the Product by the Company.
 - f) Light bulbs or lamps.
 - g) Ballasts are covered for three (3) years.
 - h) ID cabinet LED illumination and power supply are covered for two (2) years when purchased as a system.
- 11) This Limited Warranty specifically does not cover conditions, defects or damage caused by or resulting from the following:
 - a) Defects caused by unreasonable or unintended use of Product, improper or unauthorized handling, accident, omission, neglect, vandalism (unless otherwise noted in this Limited Warranty), misuse, physical abuse, installation, use and/or fabrication, and maintenance of the Product by any party other than the Company.
 - b) Damage not resulting from manufacturing defects that occurs while the Product is in the Owner's control and/or possession.
 - c) Extreme physical or electrical stress or interference; environmental conditions beyond the Company's control, such as man-made or naturally occurring electrochemical oxidation or corrosion and/or metallic pollutants; normal wear and tear; inadequate, improper, or surges of electrical power; lightning, floods, fire, acts of God, war, terrorism, or other external causes, including Force Majeure.

(800) 237-3928, x232

Customer ID: 3018030

Quote Number: 892195 / 2

Date Quoted: 11/9/2016

- d) Unauthorized modification including installation of third-party software on the Product.
 - e) Product modification or service by anyone other than: (a) the Company, (b) a Company authorized service provider, or (c) Customer's own installation of Company approved parts with instruction from the Company. Service to a damaged or malfunctioning sign which has not been ordered or authorized by the Company's Customer Satisfaction Department is not covered under this Limited Warranty and will automatically invalidate this Limited Warranty.
 - f) Computer viruses, Trojan horses, worms, self-replicating code or like destructive code which was not included in the Product by the Company.
 - g) Products installed with known or visible manufacturing defects at the time of installation.
- 12) All items returned to the Company must have a Return Materials Authorization ("RMA") number, available by using the contact information below. Items received without an RMA number will not be processed and returned to the Customer at their expense. The Customer will send a defective part to the Company and then the Company will send a repaired or replacement part to the Customer.
- 13) The Company will provide and be responsible for the cost of shipping parts from the Company to the Customer, with the exception of sign faces replaced due to vandalism. Standard shipping via the United States Postal Service or other commercial parcel delivery company is the default method of delivery. Expedited delivery is available to the Customer at his or her expense. The Customer will provide and be responsible for the cost of shipping parts to the Company.
- 14) Warranty claims must be registered with the Company within thirty (30) days of damage or malfunction. To register a claim, the Customer must contact the Company at the location specified below and provide (a) his or her name and any other required contact information, (b) Product and purchase descriptions, and (c) the nature of the defect. The Company reserves the right (in its sole discretion) to require proof of original purchase (e.g. paid invoice, receipt) and to visit the site of the installation or to require documentation of the claim before assuming any responsibility under the provisions of this Limited Warranty.
- 15) THE LIMITED WARRANTIES SET FORTH HEREIN ARE THE ONLY WARRANTIES MADE BY THE COMPANY IN CONNECTION WITH THE PRODUCT. THE COMPANY CANNOT AND DOES NOT MAKE ANY IMPLIED OR EXPRESS WARRANTIES WITH RESPECT TO THE PRODUCT, AND DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE COMPANY'S SOLE OBLIGATION UNDER THIS LIMITED WARRANTY SHALL BE TO REPAIR OR REPLACE MALFUNCTIONING OR DEFECTIVE PARTS OF THE PRODUCT. BUYER ASSUMES ALL RISK WHATSOEVER AS TO THE RESULT OF THE USE OF THE PRODUCT PURCHASED, WHETHER USED SINGULARLY OR IN COMBINATION WITH ANY OTHER PRODUCTS OR SUBSTANCES.
- 16) NO CLAIM BY BUYER OF ANY KIND, INCLUDING CLAIMS FOR INDEMNIFICATION, SHALL BE GREATER IN AMOUNT THAN THE PURCHASE PRICE OF THE PRODUCT WITH RESPECT TO WHICH DAMAGES ARE CLAIMED. IN NO EVENT SHALL COMPANY BE LIABLE TO BUYER IN TORT, CONTRACT OR OTHERWISE, FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, PUNITIVE OR EXEMPLARY DAMAGES, OR FOR LOSS OF PROFIT, REVENUE OR USE, IN CONNECTION WITH, ARISING OUT OF, OR AS A RESULT OF, THE SALE, DELIVERY, SERVICING, USE OR LOSS OF USE OF THE PRODUCT SOLD HEREUNDER, OR FOR ANY LIABILITY THAT BUYER HAS TO ANY THIRD PARTY WITH RESPECT THERETO.

Why Choose Stewart Signs?

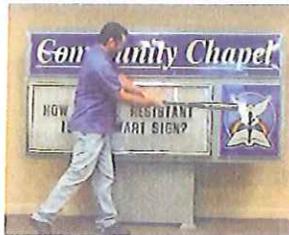

Stewart's philosophy of building a superior product and conducting business according to ethical principles has not changed since our inception in 1968. Four decades and 40,000 signs later, it is understandable why so many organizations have chosen Stewart Signs as their preferred sign company. We've served tens-of-thousands of customers from across the country and around the world!

Superior Wind Load Ratings

Engineered to withstand hurricane force winds. Resists damage and retains its shape. (AP Photo/David J. Phillip)

Vandal Resistant Faces

Virtually unbreakable, won't yellow or turn cloudy.

Unrivaled Graphics

Won't fade over time, photo-real images and text.

Unmatched Versatility

Our Sectional Sign Face System allows customers to make updates without having to purchase a new sign.

Exceptional Warranty

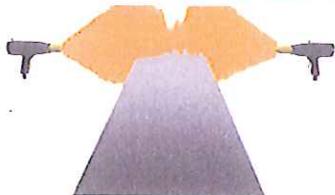

Best warranty in the business, including damage caused by vandalism.

Professional Integrity

Backed by EBSCO Industries, one of America's largest privately held corporations.

Durable Powder Coat Finishes

Powder coating is sprayed on and heated to 400° creating a bond between the powder and frame. This provides superior color and gloss retention, which is chip and impact resistant.

Our Dedicated Staff

Fully staffed customer service department is just a toll-free call away.

Ease of Installation

Designed to be installed with common hardware and materials saving you thousands of dollars in installation costs.

Stewart Signs has been serving organizations like yours since 1968. This experience makes us uniquely qualified to serve your sign needs. Don't take my word for it, though; ask your neighbors about us!

The following is a small sampling of customers in your area that have invested in our product. These results represent only a few of over 40,000 Stewart signs out in the field, including 1,201 signs installed in California within the past 10 years. Viewing installed signs is one of the best ways to experience the quality built into every Stewart sign, and I encourage you to visit a few locations.

TOP 5 REASONS TO BUY A *TekStar LED* FROM STEWART SIGNS

1. PROFESSIONAL INTEGRITY

- We have been conducting our business according to ethical principles since 1968.
- Stewart Signs is a subsidiary of EBSCO Industries, which is ranked in the top 200 of the nation's largest privately held corporations according to Forbes magazine.
- EBSCO Industries holds the Dun & Bradstreet Financial Strength rating of 5A1, the highest awarded.
- EBSCOhost databases are the most-used premium online information resource for tens of thousands of educational institutions worldwide.

EBSCO
Industries,
Inc.

Stewart Signs LEDs

Commercial LEDs

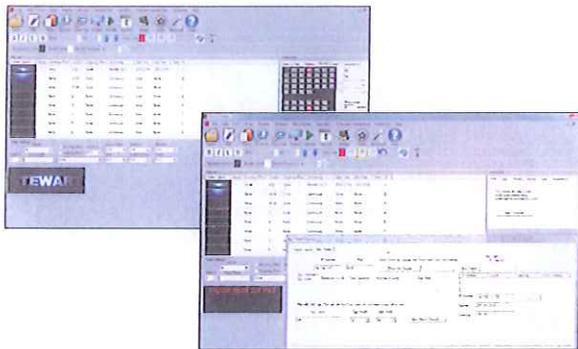

2. SUPERIOR PRODUCT QUALITY

- All Stewart Signs displays are assembled in the USA.
- They are designed to endure extreme weather and are tested in temperatures ranging from -31°F to 140°F.
- Our LED cabinets are thermostatically controlled to extend the life of the electrical components within.
- We use the brightest LEDs in the industry to ensure maximum readability, even in direct sunlight.
- Each sign carries a UL listing, ensuring its safety.
- Backed by the best warranty in the industry.
- 90-day on-site labor guarantee ensures your new sign experience is worry-free with no unexpected, additional costs.

3. OUR CUSTOMERS

- Over 45 years of experience providing quality signage.
- 40,000 customers including religious institutions, schools, municipalities, businesses & government agencies.
- We have endorsements from 17 denominations and publishing houses, and we hold contracts with many state and federal cooperatives like GSA and AFNAFPO.

4. OUR SOFTWARE

- We have proprietary software that is easy to install.
- Wizards and templates make the interface user-friendly.
- A "Bad word" checker prohibits misuse of the sign.
- Graphics are included in the software package.

5. FINISH & APPEARANCE

- The seamless face covering the graphics and LED display is made with co-extruded solar grade Makrolon® SL by Sheffield Plastics, which means that it is virtually unbreakable and will not chip, fade, turn yellow, or become cloudy over time.
- High-performance 3M™ vinyl is applied to the inside surface of the sign face, preventing shadowing.
- Our signs are protected with an industrial powder-coat finish, allowing for easy removal of graffiti if needed.
- Matte finish on sign faces and vandal covers improves and optimizes the readability of your sign by diffusing reflected light.
