## **DRAFT GROUNDWATER SUSTAINABILITY PLAN PUBLIC REVIEW OF SECTION 6 AND ONLINE SURVEY**

The East Contra Costa Groundwater Sustainability Working Group is preparing a Draft Groundwater Sustainability Plan (Plan) and seeks input on Section 6 of the Plan. The East Contra Costa Groundwater Subbasin is a medium priority subbasin and requires preparation of a Plan under the 2014 Sustainable Groundwater Management Act (SGMA) as required by the State.

The Groundwater Sustainability Agencies received comments on Sections 1-4 of the Draft Plan and are now asking for input on Section 6 that discusses the proposed monitoring network and data management system. The previous four Sections can also be found at the link below, or email [groundwaterinfo@dcd.cccounty.us](mailto:groundwaterinfo@dcd.cccounty.us) and request the documents. Comments are due on Monday, May 3, 2021.
