

The County Board of Supervisors submitted Measure X, a half-cent sales tax increase, to the voters at an election held on November 3, 2020, and it passed with 58.45% of the vote. For 20 years, Measure X is expected to annually generate an estimated \$81 million in new County general fund revenues that the Board of Supervisors can allocate to address a wide array of community needs.

The Contra Costa County Sheriff's Office ("CCCSO") and the East Contra Costa County Fire Protection District ("ECCFPD") have each applied for Measure X Funding. The Town of Discovery Bay Board of Directors supports the CCCSO and the ECCFPD request for funding.

To provide your support, you can virtually attend a Measure X Committee Advisory Board Meeting on August 25, 2021 at 5:00pm. The meeting Agenda can be found here:
