East Contra Costa ALERT! Due to severe under-funding, our local fire service, East Contra Costa Fire Protection District (ECCFPD), has just 3 fire stations open with a total of 9 firefighters on duty at any given time to cover 250 square miles and 140,000 residents. It's not enough to keep our community safe. **Attend this event to learn more.** Hear from the experts. Participate in Q&A. Get informed!
